ARTICLE I: PURPOSE

Southeastern Louisiana University, in pursuit of its educational mission, seeks to teach student's citizenship, to value others and respect community. The University affirms that students, upon enrollment, do not lose the rights of, nor are they exempted from, fulfilling the obligations and duties of citizens. Students have the responsibility to familiarize themselves with the Student Code of Conduct and with University policies including, but not limited to, those pertaining to harassment, computer use, academic dishonesty, and traffic regulations. Students are expected to conduct themselves in a manner which supports the educational mission and functions of the University, as well as to comply with all federal, state, and local laws, and all applicable University policies.

The University reserves the right to change the Student Code of Conduct at any time during the academic year. It is each student's responsibility to keep informed and comply with the Student Code of Conduct as well as other published rules and policies. For additional information regarding the Student Code of Conduct Standards contact the Southeastern Louisiana University Office of Student Advocacy and Accountability at (985) 549-2213.

Revised March 15, 2019

ARTICLE II: DEFINITIONS

The following definitions apply to terms and or phrases used in Southeastern Louisiana University Student Code of Conduct:

- A.** The term "University" means Southeastern Louisiana University.
- B.** The term "student" includes all persons taking courses at the University whether full time, part-time, dually enrolled, and visiting, online, for non-credit, or pursuing undergraduate, graduate, professional studies or non-degree seeking. Also included are those who attend post-secondary educational institutions other than Southeastern Louisiana University and who reside in University residence halls. This Student Code also applies to all persons taking courses at satellite locations of the University.

C. The term “organization” and/or “student organization” means any number of persons who have complied with the formal requirements for University recognition. These terms are interchangeable with the term “student” as it relates to all areas of the Student Code of Conduct unless otherwise stated. In other words, student organizations will be held responsible for abiding by the Student Code of Conduct as if they were individual students and are subject to all regulations and sanctions herein stated.

D. The term “faculty member” means any person hired by the University to conduct classroom or academic activities.

E. The term “staff member” means any person hired by the University to work and/or perform administrative or other responsibilities.

F. The term “University official” includes any person employed by the University, performing assigned administrative or professional responsibilities.

G. The term “member of the University community” includes any person who is a student, faculty member, staff member, University official or any other person employed by or associated with the University. A person’s status in a particular situation shall be determined by the Vice President for Student Affairs or the Chief Student Conduct Officer.

H. The term “University premises” includes all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the University (including adjacent streets and sidewalks), either on the main campus or at satellite sites.

I. The term “Conduct Authority” means those persons designated by the Vice President for Student Affairs to administer the Student Code of Conduct. The Conduct Authority serves as Hearing Officers and Hearing Board Advisors. Nothing shall prevent the Vice President for Student Affairs from authorizing the Conduct Authority from imposing sanctions in all cases. The Conduct Authority consists of three types of conduct officers:

1. The term “Chief Student Conduct Officer” or Director for the Office of Student Advocacy and Accountability (OSAA) means that person designated by the Vice President for Student Affairs who is primarily responsible for administration of the Student Code of Conduct.

2. The term “Assistant Director of OSAA” means that person designated by the Vice President for Student Affairs and reports to the Chief Student

Conduct Officer who is responsible for administration of the Student Code of Conduct.

3. The term “Residential Conduct Officer” means that person designated by the Director of University Housing who is responsible for administration of the Student Code of Conduct as it applies to on-campus residents who are involved in incidents that occur within the facilities and do not rise to the level of possible expulsion or suspension from the University.

J. The term “Hearing Board Advisor” means the professional staff person designated by the Vice President for Student Affairs who serves in an advisory capacity to a hearing board.

K. The term “hearing body” means any person or persons authorized by the Vice President for Student Affairs to determine whether a student has violated the Student Code of Conduct. There are two types of hearing bodies: (1) a Hearing Officer, and; (2) a Hearing Board.

1. The term “Hearing Officer” or “Administrative Hearing Officer” means a University official authorized to administer the Student Code of Conduct, its corresponding administrative procedures, and to impose sanctions upon students found to have violated the Student Code of Conduct. Examples of Hearing Officers include, but are not limited to, the Chief Student Conduct Officer, the Assistant Director of OSAA, the Director of University Housing, and/or Residential Conduct Officers. Nothing shall prevent the Vice President for Student Affairs from authorizing a University Official to serve in the role of “Hearing Officer” or “Administrative Hearing Officer.”

2. Hearing Boards include:

a. Student Conduct Hearing Board: A committee of students and faculty and/or staff members who hear discipline cases. This hearing board is authorized to determine whether a student and/or a student organization has violated the Student Code of Conduct and to recommend the imposition of sanctions. The board consists of at least two but no more than four members and a Chairperson (who votes only in case of a tie).

b. Administrative Hearing Board: A group of faculty and/or staff who are appointed by the Vice President for Student Affairs, the Chief Student Conduct Officer or designee to serve as the hearing

body. The board consists of at least two but no more than four members and a chairperson (who votes only in case of a tie). An Administrative Hearing Board may be used in cases including, but not limited to those involving: scheduling difficulties, such as when a hearing is scheduled between academic semesters or during final examination periods; the sensitive nature of an incident, such as cases of alleged sexual harassment where a party involved is concerned with issues of confidentiality, and/or; other cases where the Vice President for Student Affairs, the Chief Student Conduct Officer or designee determines an administrative hearing is appropriate to the incident.

L. The term “Mediator” means a University official authorized on a case-by-case basis by the Vice President for Student Affairs, the Chief Student Conduct Officer or designee to conduct an alternative dispute resolution process in cases where both parties agree to work to resolve an incident in a setting less formal than a hearing.

M. The term “Complainant” means any member of the University community who submits a charge alleging that a student violated the Student Code.

N. The term “Respondent” means any student accused of violating this Student Code.

O. The term “Sanction” means any type of corrective or restorative action intended to remediate a violation of the Student Code of Conduct.

P. The term “Witness” means anyone who has first-hand knowledge of an incident. Witnesses play a voluntary role and may decline any involvement in the disciplinary process. Both the Complainant and Respondent shall have the right to call witnesses. Although both the complaining and responding parties are responsible for requesting the support of their own witnesses, nothing shall prevent the Chief Student Conduct Officer, the Assistant Director of OSAA, the Director of University Housing, the Residential Conduct Officer or designee from calling witnesses.

Q. The term “Administrative Discipline Conference” or “Discipline Conference” means a meeting between the student and the appropriate hearing officer. At that conference, the Student Code of Conduct and applicable administrative procedures are discussed.

R. The term “shall” is used in the imperative/mandatory sense.

S. The term “may” is used in the permissive sense.

T. The term “policy” is defined as all written regulations of the University.

U. The term “cheating” includes, but is not limited to: (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; (3) the acquisition, without permission, of tests or other academic materials belonging to a member of the University faculty or staff; (4) engaging in any behavior specifically prohibited by a faculty member in the course syllabus or class discussion; (5) and/or other violations as defined by University policies.

V. The term “plagiarism” includes, but is not limited to, the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes stealing and passing off the ideas and/or words of another as one’s own; using a created production without crediting the source; the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials; and/or other violations as defined by University policies.

ARTICLE III: CONDUCT AUTHORITY

A. The Conduct Authority shall determine the composition of hearing bodies.

B. The Vice President for Student Affairs and the Conduct Authority shall develop policies for the administration of the conduct program and procedural rules for the conduct of hearings which are consistent with provisions of the Student Code of Conduct.

C. An Administrative Hearing Officer, Residential Conduct Officer, and/or a Hearing Board determines if a student or student organization is responsible for a breach of the Student Code of Conduct and any other University policy regarding student behavior. Hearing Boards recommend sanctions to the Conduct Authority. The only authority who can determine sanctions (as opposed to recommending those sanctions) is the Conduct Authority, and/or the administrator who hears the appeal.

D. As a rule, all incidents which may result in suspension or expulsion from the University will be referred, after an initial disciplinary conference, to a Student Conduct Hearing Board or an Administrative Hearing Board. However, should the accused take responsibility for the alleged violation and choose not to proceed to a hearing board or panel, the Vice President for Student Affairs, the Conduct

Authority, or designee may choose to honor the request. The request must be in writing and signed by the respondent.

E. Decisions made by a hearing board and/or hearing officer shall be final, pending normal appeal procedures.

F. After an initial contact with an administrative hearing officer, a mediator may be designated as arbitrator of a dispute within the campus community in cases where both parties agree to this alternative resolution. Both parties must agree to mediation and to be bound by the decision with no right of appeal. If the parties do not uphold the mediated agreement; if the parties do not appear at the designated mediation session; or, if the incident cannot be resolved in the mediation, the case may be resolved through a hearing. No case involving sexual misconduct or an act of violence shall be resolved through mediation.

ARTICLE IV: PROSCRIBED CONDUCT

A. Jurisdiction of the University

Generally, University jurisdiction and discipline shall be limited to conduct which occurs on University premises, at University sponsored activities, or off-campus conduct that adversely affects the University Community and/or has a detrimental impact on the University's educational function.

Complaints of misconduct against a student may be filed online at www.southeastern.edu/reportit by any member of the University community. Always, call 911 or University Police at 985-549-2222 in the case of an emergency. Complaints shall be prepared in writing and directed to the Office of Student

Advocacy and Accountability, or, in violations occurring in the University residential facilities, to the Residential Conduct Officer or designee. In the disciplinary hearing, the complainant (person filing charges) bears the burden of proof. Persons considering filing complaints are encouraged to arrange for a meeting with a Conduct Officer prior to filing complaints to discuss filing and hearing procedures.

The written complaints should include:

1. Full name, local address, and phone numbers of the complainant, accused, and witnesses, (and whenever possible, "W" numbers);
2. The specific conduct standard, policy, and/or rule allegedly violated (this may be determined by the conduct officer);
3. The date, time, location and persons involved in the incident under investigation;
4. A narrative of the incident describing what occurred;
5. Copies of pertinent witness statements, police and/or housing reports, along with a list of any other physical evidence (photographs, written documents, items, etc.), to be presented at the hearing; and,

Complaints should be submitted as soon as possible after the incident, preferably within ten (10) working days. Barring unusual or extenuating circumstances, such as sexual misconduct and acts of violence, complaints may not be accepted for incidents which occurred more than 30 working days prior to filing.

Students may not avoid campus disciplinary action by withdrawing or graduating from the University. Any complaints/charges or sanctions pending when a student leaves the University must be properly disposed of prior to releasing the student's records or the matter may be adjudicated without the respondent being present. The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Conduct Code, including the completion of all sanctions imposed, if any. Students who receive a disciplinary sanction involving separation from the University, and/or University housing are reminded that the University's normal refund policy will apply.

The Hearing Officer may investigate to determine if the complaint has merit and/or if the complaint can be disposed of administratively by

mutual consent of the parties involved on a basis acceptable to the Hearing Officer.

B. Preliminary Administrative Disciplinary Conference

1. Upon receipt of a properly filed complaint, a staff member of the appropriate conduct office shall notify the accused student by e-mail, regular mail or hand delivery that proceedings have been initiated. The letter indicates a scheduled meeting time with a Hearing Officer or directs the student to schedule a preliminary/administrative discipline conference within a specified amount of time. The letter also lists the alleged violation with which the student is being charged. Failure to comply with this directive may result in a full hearing board being scheduled.

2. The purpose of the preliminary administrative disciplinary conference is to provide the student an opportunity to review the alleged offense/s with the Hearing Officer, to examine evidence, to discuss the Student Code of Conduct and the discipline process. Students who do not have a copy of the Student Code of Conduct will be directed to an online copy. Further, the student and the Hearing Officer will determine if the matter can be resolved through mutual agreement, including, but not limited to, the charges/complaints being rendered null and void; an administrative agreement being signed which indicates the student assumes responsibility for a violation/s of the Student Code of Conduct; or, a referral to mediation. If at the administrative disciplinary conference, the respondent assumes responsibility for an infraction, the student may sign an administrative agreement and waive any further proceedings and/or appeals. If the complaint cannot be disposed of by mutual consent, the matter will be referred to a hearing involving a Student Conduct Hearing Board, an Administrative Hearing Board, or a Hearing Officer.

C. Hearings involving a Hearing Board

In cases which cannot be resolved in an Administrative Disciplinary Conference, and in those incidents, which rise to the level of expulsion or suspension from the University or University Housing, the matter will be referred to a Student Conduct Hearing Board, or an Administrative Hearing Board. Hearings involving a hearing board are designed for both the complainant and respondent to present their accounts of an incident.

1. The accused student shall be given written notice of the hearing to inform him/her of the specific charge(s), of his/her rights as a student, and the date, time, and location of the hearing.

a. Generally, a time set for a hearing will be at least two or no more than 15 working days after the student has been notified of the hearing. However, due to the nature of the academic year, if the incident occurs close to the end of a semester, or if the appropriate hearing body cannot be scheduled, the student's case will be heard as soon as a hearing can be scheduled.

b. Maximum time limits for scheduling hearings may be extended at the discretion of the Vice President for Student Affairs and the Conduct Authority.

c. Notice shall be sent/delivered to the last local/mailling address and/or E-mail account identified on the student's official records and shall be considered delivered two working days after the letter has been posted.

d. Students are responsible for notifying the University of their current contact information including physical/mailling/electronic addresses. Address changes must be made through the Office of Records and Registration. Failure to notify the University of the current local address, to collect one's mail from one's address, and/or to receive or sign for a discipline mailing does not void the fact that a notice was delivered.

e. Hand delivered notices are delivered on the date they are given to the student.

2. The purpose of a disciplinary hearing is to determine if the accused student is responsible for violating one or more standards of the Student Code of Conduct, and to recommend any appropriate sanctions. A student is presumed to be not responsible until proven responsible in a disciplinary hearing. The burden of proof shall rest on the complainant.

3. Order of the Hearing: The hearing is structured such that the discussion proceeds in an orderly manner. Below is the order that the hearing follows:

a. The reading of the complaint/charges by the hearing chairperson;

b. The entering of pleas by each respondent.

c. There are three pleas: Responsible, Not Responsible, and No Plea, which indicates that the student does not know whether she/he is responsible, or means the student is unwilling to say and is allowing the Board to decide.

d. Statement of complainant and introduction of evidence;

e. Questioning by the respondent and the Board and or the Hearing Board Advisor;

f. Statement of the respondent and introduction of evidence;

g. Questioning by the complainant and the Board, and the Hearing Board Advisor;

h. Statement of the complainant's witnesses, followed by respondent's questions, and, then those of the Board and or the Hearing Board Advisor;

i. Statements of the respondent's witnesses, followed by complainant's questions, and, then those of the Board, and or the Hearing Board Advisor;

j. Additional questions by the Board, the Hearing Board Advisor, complainant, and/ or respondent;

k. Closing statements, first by the complainant and then by the respondent; Closing statements shall be specific to the incident involved and may include any reiteration of previously stated facts, written statements of character by a third party, and/or any other comments involving the case. Closing statements are the final opportunity for the respondent and the complainant to provide any additional information which will facilitate the Board's decision, including recommendations for sanctions. Closing statements may be limited to a specified time constraint at the Board and or the Hearing Board Advisor's discretion.

l. Deliberation of the Board;

m. Recommendation of the Board to the advisor;

n. Notification of the decision and, if necessary, sanctions. Delivery of the notice may be by hand, E-mail, or through the mail.

4. A hearing before a Hearing Board shall be conducted according to the following guidelines:

a. Hearings normally shall be conducted in private. Only the hearing body/officer, respondent, complainant, their designated advisors, the recorder, and persons identified with the University community as having an educational need to know, may be present for the beginning of the hearing. Each witness will be called into the hearing individually to give testimony. Subject to the approval of the Hearing Board Advisor and the parties involved, an observer may be admitted, but shall not have the privilege of participating in the hearing. Written requests for a waiver of rights to a private hearing, along with proper documented approval from all parties outlined above, must be submitted to the Conduct Authority at least 48 hours prior to the hearing. Admission of any person to the hearing shall be at the discretion of the hearing body and/or the Hearing Board Advisor. Only the hearing body/officer and persons identified with the University community as having an educational need to know may be present during deliberations.

b. In hearings involving more than one respondent student, the Hearing Board Advisor, at his or her discretion, may permit the hearing concerning each student to be conducted separately.

c. The complainant and the respondent have the right to be assisted by any advisor they choose, at their own expense. The complainant and the respondent are responsible for presenting their own cases and; therefore, advisors are not permitted to speak or to participate directly in any hearing before a hearing body. Written notification of the name and relationship of an advisor to the complainant or respondent must be submitted to the Hearing Board Advisor at least 48 hours prior to the hearing.

d. The complainant, the respondent and the hearing body shall have the privilege of presenting witnesses, subject to questioning. All parties are responsible for notifying their witnesses of the date and time of the hearing. Written notification of the names and relationships of witnesses to the complainant or respondent must be submitted to the Hearing Board Advisor at least 48 hours prior to the hearing.

e. Respondents have the right to remain silent, although present, at disciplinary hearings. They may refuse to answer any question or questions and shall participate in the remainder of the hearing. Remaining silent or refusing to answer questions shall not be construed as an admission of responsibility or used against the student.

f. Statements given in disciplinary hearings are confidential in nature and may not be discussed outside of the hearing and/or discipline process.

g. Lying or intentionally misleading the Board/Hearing Officer will not be tolerated and may be referred for disciplinary action.

h. Pertinent records exhibits, and written statements may be accepted as evidence for consideration by a hearing body at the discretion of the chairperson and/or the Hearing Board Advisor.

i. All procedural questions are subject to the final decision of the chairperson of the hearing body and/or the Hearing Board Advisor.

j. After the hearing, the hearing body shall determine (by majority vote) whether the student violated each section of the Student Code of Conduct the student is charged with violating.

k. Hearing body deliberations to determine responsibility shall be conducted in confidential, closed sessions, as are any sanctioning portions.

l. The hearing body's determination of responsibility shall be made if a preponderance of the information, that is, the facts and information, presented in the hearing are such that the hearing officer or hearing board finds it more likely than not that the respondent is responsible for the offense as charged.

m. Strict rules of evidence do not apply at campus disciplinary hearings. Although first hand testimony is preferable, written statements, hearsay testimony and other evidence are allowed, subject to the discretion of the hearing chair and/or Hearing Board Advisor.

n. Following the final decision of the hearing body, the respondent, will be informed of the determination and recommended sanction, if any, within ten business days. In cases of sexual assault and/or

physical violence, the complainant shall also be informed simultaneously of the determination.

5. There shall be a record, usually an audio tape recording, of all hearings before a Hearing Board. Deliberations shall not be recorded. The official hearing record will be a transcription of the audio tape recording. An official hearing record may be made at the expense of the appellant. Students are cautioned that information contained in official hearing records is strictly confidential and should only be used in matters of campus appeals. The record shall be the property of the University.

6. The Hearing Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Respondent, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, indirect questioning, or other means, where and as determined in the sole judgment of the Conduct Authority to be appropriate.

7. Except in the case of a student charged with failing to obey the summons of a hearing body or University official, no student may be found to have violated the Student Code of Conduct solely because the student failed to appear before a hearing body. In all cases, the evidence in support of the complainant(s) charge(s) shall be presented and considered, whether or not the respondent is present.

8. Refer to the specific policy for further details of other University policies.

9. In order to preserve confidential disciplinary records no individual is allowed to remove notes from hearing proceedings. The use of audio, camera and video recording devices by participants in this hearing is strictly prohibited. Failure to comply with these rules may result in your removal from these proceedings and additional disciplinary action.

E. Typical Ranges of Sanctions

Sanctioning ranges established by the University exist for students found responsible for violating certain sections of the Student Code of Conduct.

Upon issuance of an Interim Suspension, the Chief Conduct Officer, the Assistant Director of OSAA, or designee, shall endeavor to contact the Student, advise the student that an Interim Suspension is in effect, and provide the Student with an opportunity to address the alleged misconduct.

Living on campus is a privilege, not a right. The University reserves the right to terminate this privilege, at any time, for inappropriate behavior by a student.

1. Interim suspension may be imposed only:

a. To ensure the safety and well-being of members of the University community or preservation of University property;

A decision reached by the hearing body or a sanction may also be appealed by a complainant in cases involving acts of violence and harassment (i.e. such as sexual assault, rape, physical assault, hazing,

sexual harassment, and stalking). An appeal must be directed to the Vice President for Student Affairs or his/her designee within ten (10) working days of being notified of the decision. If the student is notified of the decision by letter, the student has ten (10) working days from the posted dated stamped on the envelope to make an appeal. Such appeals shall be in writing and shall be delivered to the Vice President for Student Affairs and/or Chief Student Conduct Officer or his/her designee. The rendered sanction is in effect as of the date identified on the sanction letter, or until an appeal is granted. The Vice President for Student Affairs or his/her designee may choose to suspend the outcome of a hearing while the appeal is being reviewed. Generally, a time set for an appeal response will be no more than ten (10) working days after the student has delivered the appeal. However, time limits for an appeal response may be extended at the discretion of the Vice President for Student Affairs, the Chief Student Conduct Officer, the Assistant Director of OSAA, and the Director of University Housing.

1. Appeals of decisions and/or sanctions involving individuals or student organizations must be submitted to the Vice President for Student Affairs.

2. A student may appeal the decision of the Vice President for Student Affairs to the President of the University or his/her designee if the sanction is one of suspension from the University for a period of one academic year, or if the sanction is of greater severity. For appeals regarding less severe sanctions, the final appeal shall be at the Vice President for Student Affairs level.

3. A student may appeal the decision of the University President to the Board of Supervisors for the University of Louisiana System if the sanction is one of suspension from the University for a period of one academic year, or if the sanction is of greater severity. For appeals regarding less severe sanctions, the final appeal shall be at the University level. If the student chooses to appeal to the Board of Supervisors after all administrative procedures have been exhausted at the University level, the appeal must be submitted to the President of the University of Louisiana System which refers the appeal to the Board of Supervisors for the University of Louisiana System. The appeal must be made within 30 calendar days of the University's decision. The Board's review is limited to a determination of compliance with established and appropriate procedures at the University level. The student shall be notified of the Board's decision.

B. Except as required to explain the basis of new information, an appeal at the University level may be limited to a review of the written statement by the party requesting the appeal and/or written documents pertaining to the case. The scope of review shall be limited to consideration of the following questions:

1. Whether the discipline process was conducted fairly and in conformity with the properly prescribed procedures;
2. Whether to consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board Hearing.
3. Whether the sanction or remedy imposed was in due proportion to the gravity and nature of the conduct.

C. If an appeal is upheld in cases involving appeals by students who have been found to have breached the Student Code of Conduct, the President and Vice President for Student Affairs or his/her designee may either:

1. Reduce, change, or dismiss the sanctions of the hearing body;
2. Remand the case to a new hearing body although nothing shall prevent the same Student Conduct Advisor from serving as advisor to this new hearing body.

D. It is important for students who file grievances with the University of Louisiana System Board Of Supervisors to understand the following:

1. The Board of Supervisors does not consider appeals for academic matters, but only matters pertaining to appeals of university rulings on conduct.
2. The Board of Supervisors conducts reviews of student appeals via materials provided by the student grievant and the university.
3. Review by the Board of Supervisors consists of an exhaustive examination of procedures followed by the university in regard to due process and not the specific details of the grievance matter.
4. The University of Louisiana System student grievance process does not provide the benefit of a hearing by the student directly to the Board of Supervisors.

ARTICLE VIII: INTERPRETATION AND REVISION

Any questions of interpretation regarding the Student Code of Conduct shall be referred to the Vice President for Student Affairs, Chief Student Conduct Officer, the Assistant Director of OSAA or his/her designee for final determination.

The Student Code of Conduct shall be reviewed periodically under the direction of the Vice President for Student Affairs or designee.

Mental Health Emergencies: Suicide Attempts

2. Follow the directions as given by the officer/dispatcher.
3. University Police, upon notification of a suicide attempt, will act as appropriate to:
 - a. Instruct the caller what to do.
 - b. Dispatch officer(s) to the scene.
 - c. Contact ambulance/medical facility.
 - d. Contact University administrators:
 - University Counseling Center person on call
 - Contact the Dean of Students
 - Division for Student Affairs will notify the subject's parents, significant other, or legal guardian.

Endangering or Disruptive Behavior

Students who endanger their own, another, or a group of people's physical well-being; or, disrupt the campus community, may be suspended on an interim basis from the residence halls and/or the University. To be considered for reinstatement to the residence halls and/or the University, the student may be required to provide the Chief Student Conduct Officer with a Behavioral Assessment completed and signed by a Physician indicating that the student is not a threat to himself/herself or the campus community. This form may be obtained from the Office of Student Advocacy and Accountability or University Police Department. Additionally, the parents, legal guardian, and/or significant other may be notified of the incident. Students are advised that endangering and/or disruptive behavior is a violation of the Student Code of Conduct and may result in disciplinary action by the University.

Amnesty Policy

In certain cases, the Office of Student Advocacy & Accountability will grant amnesty. Amnesty is defined as pardon or reprieve from an offense or violation. The purpose of the Amnesty is to remove barriers and increase the likelihood that students who require emergency medical assistance because of high-risk behaviors (alcohol and/or drug use) will seek such assistance. In addition, to promote community responsibility and bystander intervention, those students who take reasonable action to prevent, stop, or report violations of the Student Code of Conduct may be protected by amnesty. All incidents will be assessed by The Office of Student Advocacy and Accountability to determine if amnesty will be granted.

drugs & alcohol policy

The use of alcohol and other drugs (AOD) can have negative consequences. Far too often, high-risk drinking and other drug use can have tragic results. When this happens, students not only put themselves at risk, but there is potential to harm their loved ones, friends, and others in the University community. By being informed about the prevention efforts available on Southeastern's campus, students can make better informed decisions and increase the likelihood of avoiding risks associated with alcohol and other drug use.

In order to further student learning and promote the University's academic mission, Southeastern fosters an environment of personal responsibility and respectful citizenship. This means that all members of the university community – students, faculty, and staff - in addition to visitors – have a shared responsibility in safeguarding a healthy learning environment in which inappropriate behaviors and the associated negative consequences of alcohol misuse are addressed in a manner appropriate to the circumstance. The University, as outlined in the following policy, strives to create a culture that supports students who have made the decision to not use alcohol, as well as encourage, through education, students who choose to drink alcohol to do so in a safe, legal, and responsible manner.

Louisiana state law prohibits the purchase, public possession or consumption of any alcoholic beverage by persons under the age of 21 as defined by Louisiana Law (R.S. 14.93.10 through 14.93.14). As provided by law, this policy recognizes that public possession does not include possession or consumption of alcoholic beverages under the following conditions: religious purposes, when accompanied by a parent or spouse, for medical purposes as defined by 14.93.10.2, or within private residences.

Students and employees are reminded that local, state, and federal laws provide for various legal sanctions and penalties for unlawful manufacture, distribution, possession, or use of illicit drugs. The range of penalties and violations of Louisiana Law cited above is fines up to \$1,000,000 and up to life in imprisonment without parole depending on the drug involved and the nature of the violation.

Students may also be referred for counseling and/or referral for individual assessment; referral may be included as a condition of any sanction.

hazing policy

Hazing was once seen as an activity that affected a very specific group of students, members of fraternities and sororities on college campuses. Recent information indicates that hazing is a larger problem that goes beyond Greek letter organizations and could impact students as early as the beginning of high school. It is important to increase awareness and become educated about hazing and how to address it.

Enforcement of Hazing Policy

Any violation of the hazing policy shall be deemed a violation of the University's Student Code of Conduct and applicable laws. Thus, all allegations of hazing will be investigated by the Office of Student Advocacy and Accountability and/or other appropriate law enforcement agencies. Individuals or groups found responsible for violating the Hazing Policy may face disciplinary action including expulsion from the University. The Vice President for Student Affairs, Chief Conduct Officer, the Dean of Students and Assistant Director of Advocacy and Accountability or designee may impose interim sanctions immediately upon notice of charge of violation of the Hazing Policy.

The University will not tolerate retaliation by any individual or group (whether or not that person was directly involved in the original incident) against any faculty, staff or student who reports, participates in an investigation of, or is a complainant in a disciplinary

proceeding involving the allegation of hazing. Claims of retaliation will be investigated as a breach of the University's Hazing policy and may result in University sanctions.

Sanctions

If an organization has taken disciplinary action against one of its members for hazing or has reason to believe that any member of the organization has participated in an incident of hazing, the organization shall report the incident to the proper University authority (listed under "Reporting Hazing Activities").

If an organization or any of its members has been disciplined by a parent organization for hazing, the organization shall report the hazing for which the organization was disciplined to the institution with which it is affiliated.

If any person serving as a representative or officer of an organization, including any representative, director, trustee, or officer of any national or parent organization of which any of the underlying entities is sanctioned or a recognized member at the time of the hazing knew and failed to report the incident to the proper authorities that one or more of the organization's members were hazing another person, the organization may be subject to penalties under R.S. 14:40.8 including fines, criminal prosecution, and loss of funding for your organization.

Prevention and Education Program Requirement

Each organization (as defined in R.S. 17:1801.1) shall provide annually at least one hour of hazing prevention education to all members and prospective members. Training must include the following:

- Criminal penalties for hazing including fines and potential incarceration
- Information about how to report if hazing activities are suspected
- The individual/organization's duty to seek assistance if someone has suffered bodily injuries caused by an act of hazing
- The potential loss of organizational funding and other penalties if found responsible

The education may be provided in person, electronically, or both. Each organization shall submit a report annually to the Office for Student Engagement. The report must include an acknowledgement from each student that they understand the dangers and prohibition of hazing and will abide by the policies and procedures set forth by the University. *All groups and organizations are responsible for knowing, understanding, and following the university Hazing Policy in addition to any specific governing organizational or departmental requirements.*

► Discrimination & Harassment Policy

Policy Statement

Southeastern Louisiana University is committed to maintaining an educational and workplace environment free of any type of discrimination and/or harassment which is illegal and which will not be tolerated. In furtherance of that commitment, this policy forbids discrimination and/or harassment of any kind by or against any applicant, employee, student, or any other individual/group of individuals on the basis of race, color, sex, religion, sexual orientation, gender identity, national origin, disability, genetic information, age, veteran status, political affiliation, citizenship, or retirement status. Cases involving allegations of discrimination and/or harassment by students are covered by the University Code of Conduct, Article IV: Proscribed Conduct. B. Conduct. 3. Abusive Conduct, and are handled as such by the Office of Student Advocacy and Accountability. See: www.southeastern.edu/policies

Purpose of Policy

This policy is part of our commitment to comply with the requirements and objectives set forth by Presidential Executive Order 11246, Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, the Veterans Employment and Readjustment Act of 1972, the Equal Employment Opportunity Act of 1972, Section 901 of Title IX of the Educational Amendments of 1972, the Rehabilitation Act of 1973, the Vietnam Era Veterans' Readjustment Assistance Act of 1974, the Americans with Disabilities Act of 1990, the Civil Rights Act of 1991, the Genetic Information Nondiscrimination Act of 2008, Louisiana Executive Order 13, all as amended, and Louisiana Executive Order JBE 16-11.

Applicability

This policy does not apply if a student/s feels as though they are a victim of sexual harassment or sexual discrimination. Such situations are covered under the Sexual Misconduct Policy of the University located at www.southeastern.edu/resources/policies/assets/sexual_misconduct.pdf and students are encouraged to utilize the complaint process set forth within that policy. All other cases of harassment and discrimination are covered under this policy. Inquiries regarding compliance with Title IX may be directed to the University's EEO/ADA & Title IX Compliance Officer or the Director of the Office for Civil Rights, U.S. Department of Education.

Definitions

A. **Complaint:** Allegations of discrimination and/or harassment filed in good faith and in accordance with established procedures.

B. **Discrimination:** Taking adverse action against, or offering preferential treatment to, an individual/group of individuals based on protected characteristics or status rather than individual merit.

C. **Harassment:** Unwelcome and objectively offensive physical, verbal, or nonverbal conduct regarding the protected characteristics/status of others, which is so severe or pervasive that it creates an intimidating, hostile or offensive environment and/or interferes with an individual/group of individuals' work or educational activities. This conduct need not have intent to harm; if severe enough, it does not have to consist of repeated incidents; and it need not be directed against a specific individual/group of individuals.

D. **Sexual Harassment:** Unwelcome conduct of a sexual nature when (i) submission to such conduct is made either explicitly or implicitly a term or condition of an individual/group of individuals' employment or education; (ii) submission to or rejection of such conduct by an individual/group of individuals is used as the basis for a decision affecting that individual/group of individuals' employment or education; or (iii) such conduct has the purpose or effect of unreasonably interfering with an individual/group of individuals' employment or education, or creating an intimidating, hostile, or offensive employment or educational environment, and has no legitimate relationship to employment, the subject matter of a course, educational programs (including, but not limited to, athletics) or academic research. Sexual harassment also includes non-sexual harassment or discrimination of an individual/group of individuals because of the individual/group of individuals' sex and/or gender, including harassment based on the person's nonconformity with gender stereotypes.

E. **Protected Characteristics/Status:** race, color, sex, religion, sexual orientation, national origin, disability, genetic information, age, veteran status or retirement status.

F. **Retaliation:** Any adverse action taken against an individual/group of individuals who has/have complained about discrimination, harassment or other unlawful practice, or who may have participated in a court or administrative investigation, hearing or litigation relating to workplace conduct or discrimination or harassment by filing a charge or acting as a witness. Retaliation is prohibited under Title IX as well as University policy. This includes overt or covert acts of reprisal, interference, restraint, penalty, discrimination, intimidation, or harassment against an individual/group of individuals exercising rights under this policy. To establish a claim of retaliation, the individual/group of individuals need not be a member of a protected group or class. Individuals/groups of individuals who assist others in raising a complaint of prohibited discrimination and/or harassment by offering advice and moral support, or by giving testimony or evidence in support of a complaint, are similarly protected. This protection

exists even if the complaint is eventually dismissed or found to be lacking in merit. The process for filing a complaint of retaliation is set forth in the University's Retaliation Policy.

Policy Procedure

I. Prohibited Conduct

A. Discrimination

Examples include but are not limited to:

- Denying or granting employment promotions or other advancement opportunities based on an individual/group of individuals' protected characteristics/status;
- Granting/denying preference in education, educational programs or employment based on an individual/group of individuals' protected characteristics/status;
- Excluding any individual/group of individuals, from participation in, or denying the benefits of, any education program or activity, based upon their protected characteristic or status;
- Assigning grades based on an individual/group of individuals' protected characteristics/status;
- Making work assignments based on an individual/group of individuals' protected characteristics/status;
- Denial of leave based on an individual/group of individuals' protected characteristics/status.

B. Harassment

Examples include but are not limited to:

- Verbal threats, offensive jokes, epithets, derogatory comments, ridicule, mockery or slurs;
- Gratuitous visual displays such as posters, photographs, cartoons, drawings, or gestures;
- Unwanted physical contact such as touching, intimidation or blocking normal movement.

C. Sexual Harassment

Examples include but are not limited to:

- Making unwanted sexual advances, including touching, kissing, hugging, or massaging;

- Making sexual gestures or visual displays such as leering;
- Offering employment or academic benefits in exchange for sexual favors;
- Gratuitous displays of sexually suggestive objects, pictures, cartoons, or drawings;
- Sending suggestive or obscene letters, notes, or invitations;
- Engaging in graphic sexual commentary about an individual's body.

II. Establishing and Investigating Complaints

A. Evidence

- **Direct Evidence:** In order to establish direct evidence of discrimination and/or harassment, there must be proof that the adverse action or preferential treatment was a result of a protected category/status. Such evidence is any written or verbal statement by an official that he/she took actions against, or offered preferential treatment to, an individual/group of individuals because of their protected category/status.
- **Circumstantial Evidence:** A violation can also be established if there is circumstantial evidence of discrimination and/or harassment. Typically this link can be demonstrated based on the following:
 1. Suspicious timing of the adverse action against, or preferential treatment of, the individual/group of individuals; ambiguous statements by the accused; an accused's conduct toward other employees/students in the same protected group as the individual/group of individuals; and "other bits and pieces" of evidence "from which an inference of discriminatory intent and/or harassment might be drawn";
 2. Evidence that other individuals similarly situated to the individual/group of individuals but are not members of the same protected group "received systematically better treatment"; and
 3. Evidence that the individual was qualified for a position, but was replaced by or passed over for the position in favor of someone not in the same protected group as the individual and that the employer's stated reason for not choosing the individual was pretextual.

- **Non-discriminatory/Non- Harassing Reason:** Discrimination and/or harassment can be established if the entity fails to provide evidence of a legitimate and non-retaliatory/non- harassing reason for adverse employment actions/adverse educational actions/preferential treatment. Common legitimate reasons for adverse employment actions/adverse educational actions/preferential treatment include poor job performance, inadequate qualifications for the position sought; violation of work rules or insubordination; poor academic performance, and violation of university academic policies, rules or regulations.
- **Pretext to Motive:** Even if an entity produces evidence of a legitimate reason for the adverse action/preferential treatment, a violation can still be found if the reason is a pretext to hide actual motive. This can be proved through evidence that an individual/group of individuals was treated differently from similarly situated individuals or subjected to heightened scrutiny.
- **Standard of Review:** The preponderance of the evidence standard will be used for investigation allegations of discrimination and harassment.

B. Confidentiality

The University will respect the confidentiality of all parties and witnesses as much as possible, consistent with the University's legal obligations. Breaches of confidentiality or privacy committed by anyone receiving a report of harassment or discrimination or investigating the report of same may be considered a separate violation of the Policy and may result in the disciplinary sanctions.

C. Interim Measures

Upon receiving a report of harassment or discrimination Southeastern will immediately offer any interim measures appropriate to the circumstances – including, but not limited to, temporary changes in classes, residence hall assignments, work assignments, etc. Both parties will be advised regarding the University policy on retaliation.

D. Reporting and Investigation Process

Each of the Universities that comprise the University of Louisiana System (ULS) shall designate an EEO/ADA/Title IX Compliance Officer. The responsibilities of the Compliance Officer for each University include receiving and investigation of complaints of unlawful discrimination/harassment at the University. The name and contact information for the individual designated by the University as its Compliance Officer is as follows:

Gene Pregeant
University Compliance Officer
Rm. 120, Dyson Hall
SLU Box 10328
(985) 549-5888
gpregeant@southeastern.edu

The Compliance Officer can serve in other capacities or roles within the University, but will report directly to the respective University President regarding all complaints of unlawful discrimination/harassment.

If a complaint of unlawful discrimination/harassment is against the Compliance Officer, the complainant shall complain directly to the University President. Complaints of unlawful discrimination/harassment against the University President shall be made directly to the University of Louisiana System Compliance Officer whose name and contact information is:

Bruce Janet
Interim EEO Coordinator/Officer
UL System
Claiborne Building
1201 N. Third, Suite 7-3000
Baton Rouge, LA 70802
(225) 342-6950

Complaint Procedures – Complaints, whether informal or formal, should be reported as soon as possible after any alleged incident of discrimination or harassment has occurred. There is no deadline or required timeframe within which unlawful discrimination or harassment must be reported. However, a large proximity of time in between the alleged discrimination/harassment and the reporting may negatively affect the investigation.

Informal Complaints – A complaint of unlawful discrimination/harassment does not have to begin at the Informal Complaint stage. However, use of the Informal Complaint process may allow a matter to be resolved quickly if the complainant/complainants believes that the circumstances make the Informal Complaint process appropriate for a particular situation. Informal complaints should be made in writing within 10 business days of the date that the individual/group of individuals knew or had reason to know of the alleged discrimination/harassment. Although attempts will be made to address all complaints of discrimination/harassment, complaints that are made more than 30 calendar days after complainant/complainants knew or should have known about the alleged conduct will be more difficult or impossible to investigate depending on the

facts involved.

Informal complaints can be resolved through informal meetings (either separate or together) with the complainant/complainants and person/persons engaging in the alleged conduct and informal information gathering. Supervisors and department heads, and other administrators may be involved in resolving an informal complaint. If the Complainant is not satisfied with the results of an informal complaint, a Level 1 Complaint can be filed to begin the Formal Complaint Process. The Compliance Officer may document the resolution of an Informal Complaint.

Should an individual utilize this campus process he/she may simultaneously exercise his/her right to proceed with criminal charges based upon the same behavior/conduct. Regardless of simultaneous criminal charges the University will still conduct its own investigation.

Formal Complaint Process Level 1

Written complaints of discrimination/harassment should be submitted to the University's Compliance Officer within 10 business days of the alleged incident if the complainant/complainants does not wish to use the informal complaint process. This is not a deadline that will prevent a claim of unlawful discrimination/harassment from being heard by the Compliance Officer. However, complaints that are made more than 30 calendar days after the complainant/complainants knew or should have known about the alleged conduct will be more difficult or impossible to investigate depending on the facts involved.

Initial Meeting with Complainant. As soon as is practicable (but no more than 5 business days after the submission of a complaint), the individual investigating the complaint shall contact the complainant and schedule an initial meeting, within 5 business days of the contact. At the initial meeting the Compliance Officer will provide a copy of this policy which explains the process and rights of all parties, request additional information regarding the reported incident, and explain the investigatory process.

Process. The Compliance Officer will either conduct an investigation or authorize an investigation, where all parties are given the opportunity to present witnesses and evidence.

Notice of Allegations to Respondent. At the outset of an investigation, the investigator will provide the respondent prompt (within five working days of the meeting with the complainant) notice of the allegations against him or her in writing together with a copy of/link to this Policy. A written notice of all documents will be provided to the complainant concurrently with respondent.

Investigation Time Frame. The investigation should begin within five working days of the notice to the respondent and must be concluded within a reasonable time frame, preferably no longer than ten working days from the day that the investigation began.

Written Summary. The Compliance Office will then issue to both parties a written summary of the outcome of the investigation within a reasonable timeframe (within ten working days of the completion of the investigation). A copy of the Compliance Officer's written summary of the investigation will be accessible to both parties.

Preventative measures. If an investigation confirms either that discrimination or harassment has occurred or that conduct in violation of the policy has occurred, immediate and appropriate action to stop any such conduct and reasonable steps to prevent any further harassment, discrimination, or retaliation shall be taken.

Formal Complaint Process Level 2

If either party to a complaint of unlawful discrimination and/or harassment wishes to appeal the Level 1 decision, an appeal of the written decision must be made in writing within 10 business days of the receipt of the Level 1 Complaint determination. The appeal should be sent to the Office of the President of the University who will forward the appeal to the University EEO Advisory Committee for a review and determination.

Equal Employment Opportunity (EEO) Advisory Standing Committee

Each University shall create an EEO Advisory Standing Committee composed of members of the faculty and staff from various departments. The EEO Advisory Standing Committee should include individuals representing the interests of classified and unclassified staff and should reflect the diverse workforce of the campus. The EEO Advisory Standing Committee for each University will communicate regularly regarding issues related to policy implementation including University climate and systemic concerns. In addition to its other responsibilities, a sub-group of between three (3) and five (5) of the EEO Advisory Standing Committee Members shall serve as the Level 2 appeal review committee for this Discrimination/Harassment process.

Each university shall maintain a pool of trained investigators who are employees of the universities who have had formal training in investigation techniques, policies, and procedures for purposes of resolving administrative complaints and actions within the campus environment. Such individuals should have knowledge in interviewing, evidence collection, and report writing, and will be the primary individuals responsible for making initial inquiries of complainants and respondents in a variety of administrative proceedings.

Prior to the EEO Advisory Standing Committee's review, a trained investigator appointed by the President of the university will:

1. Review and investigate the Level 1 complaint decision;
2. Collect and clarify additional available facts about the alleged incident;
3. Meet with the complainant/complainants and the accused individual, separately, if appropriate.
4. The trained investigator will provide a report to the EEO Advisory Standing Committee within ten working days of receiving the notice of appeal from the President. The EEO Advisory Standing Committee will review the Level 1 decision and the appeal as well as the investigator's report, and will make a determination regarding the Level 1 decision and will provide detailed findings along with any recommendations for appropriate action to the President of the University for his/her consideration. Such work must be completed within ten (10) working days of receipt of the report of the trained investigator. Recommendations may include: uphold the Level 1 decision in full or in part or render an alternative decision in full or in part. The President of the University will review the report submitted by the EEO Advisory Standing Committee and, depending upon the nature and severity of the charge(s), the President may approve the recommended action or may recommend an alternate resolution. The action of the President must be taken within five working days of receipt of the report of the Committee.

Any extension of deadlines in this process must only be for reasons of extenuating circumstances and those circumstances must be shared with the complainant/s and the accused individual.

The complainant/complainants and the accused individual will be notified of the decisions at each level.

The complainant/complainants will also be notified of all elements of the decision that directly relate to the complainant, involve general campus wide changes, or are otherwise required by state or federal law.

III. **Sanctions**

Following an investigation, if a faculty or staff member is found in violation of the policy, that individual may be subject to disciplinary action, and the sanctions may include reprimand, probation, suspension, demotion, reassignment, and termination. In the event that personnel action is determined necessary and appropriate with respect to the accused, the University should use its appropriate personnel policies after a determination regarding the allegation.

IV. **Training**

The Compliance Officer on each campus shall identify the human resources personnel as well as the managerial and supervisory personnel on each campus each year. The individuals shall be provided annual training by the Compliance

Officer or designee on the Anti-Discrimination and Harassment Policy and shall have access to the Compliance Officer to address any questions or concerns that arise with respect to this policy. The Compliance Officer shall have access to and shall use the UL System EEO Coordinator/Officer as a resource as needed to ensure compliance with this policy.

The EEO Advisory Standing Committee shall also receive training with respect to how to properly review and analyze complaints of retaliation as part of their annual EEO Training.

Sexual Misconduct Policy and Procedure

1. Introduction

Southeastern Louisiana University is committed to creating and maintaining an educational community where all individuals who participate in University programs and activities can work and learn together in an atmosphere free of sexual misconduct. Every member of the University community should be aware that the University prohibits sexual misconduct, including but not limited to sexual harassment and sexual violence, and that such behavior violates both law and University policy. The University will respond promptly and effectively to reports of sexual misconduct, and will take appropriate action to prevent, to correct, and when necessary, to discipline behavior that violates this policy.

This Policy was designed to ensure a safe and non-discriminatory educational and work environment and to meet legal requirements. As a recipient of federal funds, the University is required to comply with Title IX of the Higher Education Amendments of 1972, which prohibits discrimination on the basis of sex in education programs or activities. Sexual misconduct, as defined in this policy, is a form of sex discrimination prohibited by Title IX.

This Policy applies to all University employees, students, and third parties both on campus as well as at off campus locations. This policy prohibits sexual misconduct committed by or against students, faculty, staff, or third parties. This Policy applies to sexual misconduct on University premises; at University-affiliated educational, athletic, or extracurricular programs or activities that have an adverse effect on the education or employment of a member of the University community; or that otherwise threatens the health and/or safety of a member of the University community.

2. Prevention and Education.

Southeastern Louisiana University is committed to education and increasing awareness of students, faculty, and staff about preventing incidents of sexual misconduct. The Sexual Misconduct Task Force is a standing committee responsible for coordinating the university's sexual misconduct education and prevention programs. Members include representatives from the University Counseling Center, University Housing, Student Activities, Student Health Services, Student Conduct, the University Police Department, Athletics, Student Government, Human Resources, the Title IX Officer and other individuals deemed important by the University President. Education and prevention initiatives are conducted throughout campus on a regular basis.

3. Definitions

- a. Coercion** is the use of express or implied threats, intimidation, or physical force which places an individual in fear of immediate harm or physical injury or causes a person to engage in unwelcome sexual activity. Coercion also includes administering a drug, intoxicant, or similar substance with the intent to impair that person's ability to Consent prior to engaging in sexual activity.
- b. Confidential Advisor.** The confidential advisor primarily serves to aid the complainant in the resolution process. The "confidential" terminology may suggest that communications with the advisor will be kept confidential in all circumstances except where the institution or advisor may be required to disclose the communications under state reporting and federal laws. For example, Southeastern may be compelled by law to disclose communications between a victim and a confidential advisor if directed by the court in civil litigation. Also, communications between a victim and a confidential advisor may be "education records" under the Family Educational Rights and Privacy Act ("FERPA"); to the extent those records reference another student, such as an alleged perpetrator, that student would be entitled under FERPA to access portions of the records that relate to him or her.
- c. Consent.** Consent to engage in sexual activity must exist from beginning to end of each instance of sexual activity. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Silence alone, without actions evidencing permission, does not demonstrate consent. Consent must be knowing and voluntary. To give consent, a person must be of legal age. Assent does not constitute consent if obtained through coercion or from an individual whom the alleged offender knows or reasonably should know is incapacitated. The responsibility of obtaining consent rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one's responsibility to obtain consent. Consent to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of consent has been expressed, the sexual activity must cease. Consent is automatically withdrawn by a person who is no longer capable of giving consent. A current or previous consensual dating or sexual relationship between the parties does not itself imply consent or preclude a finding of responsibility.
- d. Cyber-stalking** means using electronic mail or electronic communication for the purpose of threatening, terrifying or harassing another person.

e. Dating Violence

Dating Violence, as defined in the Clery Act: Includes, but is not limited to, sexual or physical abuse or the threat of such abuse, committed by a person who is or has been in a social relationship of a romantic or intimate nature with the Alleged Victim. The existence of such a relationship will be determined based on a consideration of the length and type of relationship and the frequency of interaction.

Dating Violence, as defined in Louisiana state law: Includes but is not limited to physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one dating partner against the other. La RS 46:2151(C). For purposes of this Section, "dating partner " means any person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors:

- (1) The length of the relationship.
- (2) The type of relationship.
- (3) The frequency of interaction between the persons involved in the relationship

f. **Domestic Abuse**, as defined in Louisiana state law: Includes, but is not limited to, physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one family or household member against another. La. RS 46:2132(3).

g. Domestic Violence

Domestic Violence, as defined by the Clery Act: Includes, but is not limited to, sexual or physical abuse or the threat of such abuse, committed by a current or former spouse or intimate partner or any other person from whom the alleged victim is protected under federal or Louisiana law.

Domestic violence is further defined by the Clery Act as: a felony or misdemeanor crime of violence committed:

- By a current or former spouse or intimate partner of the victim;
- By a person with whom the victim shares a child in common;
- By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;

- By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
- By any other person against an adult or youth victim who is protected from the\at person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

h. Family Violence, as defined by Louisiana state law: Includes, but is not limited to, physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one family or household member against another. La. RS 46:2121(2)

i. Incapacitation, an individual is considered to be incapacitated if, by reason of mental or physical condition, the individual is manifestly unable to make a knowing and deliberate choice to engage in sexual activity. Being drunk or intoxicated can lead to incapacitation; however, someone who is drunk or intoxicated is not necessarily incapacitated, as incapacitation is a state beyond drunkenness or intoxication. Individuals who are asleep, unresponsive or unconscious are incapacitated. Other indicators that an individual may be incapacitated include, but are not limited to, inability to communicate coherently, inability to dress/undress without assistance, inability to walk without assistance, slurred speech, loss of coordination, vomiting, or inability to perform other physical or cognitive tasks without assistance.

j. Responsible Employee. Responsible employees are those individuals who have the authority to take action to redress sexual violence and have been given the duty of reporting incidents of sexual violence or any other misconduct by students to the Title IX Coordinator/Officer or other appropriate school designee. However, an institutional decision to make all institution employees mandatory reporters of suspected or known sexual harassment or sexual misconduct to the Title IX Coordinator/Officer or other appropriate school designee does not render all institutional employees to be responsible employees. Employees who are authorized or required by law to keep information confidential by virtue of the employee's professional role such as Counseling staff or similar shall not be designated as mandated reporters of sexual harassment or as responsible employees.

k. Retaliation. Acts or attempted acts for the purpose of interfering with any report, investigation, or proceeding under this policy, or as retribution or revenge against anyone who has reported sexual misconduct or relationship violence or who has participated (or is expected to participate) in any manner in an investigation, or

proceeding under this Policy. Prohibited retaliatory acts include, but are not limited to, intimidation, threats, coercion, or discrimination. Title IX prohibits retaliation. For purposes of this Policy, an attempt requires a substantial step towards committing a violation.

I. **Sexual Assault**

Sexual Assault, as defined by the Clery Act; An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's UCR program.

Sexual Assault, as defined by Louisiana State Law, falls into two categories:

Non-Consensual Sexual Intercourse: Having or attempting to have sexual intercourse, cunnilingus, or fellatio without consent. Sexual intercourse is defined as anal or vaginal penetration by a penis, tongue, finger or inanimate object.

Non-Consensual Sexual Contact: Any intentional sexual touching, or attempted sexual touching, without consent.

- m. Sexual Discrimination** is defined as any discrimination on the basis of gender or actual or perceived sexual orientation, gender identity or gender-stereotype
- n. Sexual Exploitation** is defined as an act attempted or committed by a person for sexual gratification, financial gain, or other advancement through the abuse or exploitation of another person's sexuality. Examples of sexual exploitation include, but are not limited to, non-consensual observation of individuals who are undressed or engaging in sexual acts, non-consensual audio-or videotaping of sexual activity, prostitution of another person, allowing others to observe a personal consensual sexual act without the knowledge or consent of all involved parties, and knowingly exposing an individual to a sexually transmitted infection without that individual's knowledge.
- o. Sexual Harassment**: Unwelcome conduct of a sexual nature when (i) submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment or education; (ii) submission to or rejection of such conduct by a person is used as the basis for a decision affecting that person's employment or education; or (iii) such conduct has the purpose or effect of unreasonably interfering with a person's employment or education, or creating an intimidating, hostile, or offensive employment or educational environment, and has no legitimate relationship to the subject matter of a course or academic

research. Sexual harassment also includes non-sexual harassment or discrimination of a person because of the person's sex and/or gender, including harassment based on the person's nonconformity with gender stereotypes. For purposes of this Policy, the various forms of prohibited sexual harassment are referred to as "sexual misconduct."

- p. **Sexual Misconduct** is defined as a sexual act or contact of a sexual nature that occurs, regardless of personal relationship, without the consent of the other person(s), or that occurs when the person(s) is unable to give consent or whose consent is coerced or obtained in a fraudulent manner. For the purpose of this Policy, sexual misconduct includes, but is not limited to, sexual assault, sexual abuse, violence of a sexual nature, sexual harassment, non-consensual sexual intercourse, sexual exploitation, video voyeurism, contact of a sexual nature with an object, or the obtaining, posting or disclosure of intimate descriptions, photos, or videos without the express consent of the persons depicted therein, as well as dating violence, domestic violence and stalking.
- q. **Sexual Violence** is defined as physical sexual acts engaged in without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

r. **Stalking**

Stalking, as defined by the Clery Act, is: (1) intentional and repeated following or harassment that would cause a reasonable person to feel alarmed or that would cause a reasonable person to suffer emotional distress or (2) intentional and repeated uninvited presence at another person's home, work place, school, or any other place which would cause a reasonable person to be alarmed or would cause a reasonable person to suffer emotional distress as a result of verbal or behaviorally implied threats of death, bodily injury, sexual assault, kidnapping or any other statutory criminal act to the victim or any member of the victim's family or any person with whom the victim is acquainted.

Stalking, as defined by Louisiana state law: The intentional and repeated following or harassing of another person that would cause a reasonable person to feel alarmed or to suffer emotional distress. Stalking shall include but not be limited to the intentional and repeated uninvited presence of the perpetrator at another person's home, workplace, school, or any place which would cause a reasonable person to be alarmed, or to suffer emotional distress as a result of verbal or behaviorally implied threats of death, bodily injury, sexual assault,

kidnapping, or any other statutory criminal act to himself or any member of his family or any person with whom he is acquainted. La. RS 14:40.2(A) "Harassing" means the repeated pattern of verbal communications or nonverbal behavior without invitation which includes but is not limited to making telephone calls, transmitting electronic mail, sending messages via a third party or sending letters or pictures. "Pattern of conduct" means a series of acts over a period of time, however short, evidencing an intent to inflict a continuity of emotional distress upon the person. Constitutionally protected activity is not included within the meaning of pattern of conduct. La. RS 14:40.2(C).

- s. **Sexually Oriented Criminal Offense:** Any sexual assault offense as defined in La. R.S. 44:51 and any sexual abuse offense as defined in R.S. 14:403

4. Options for Assistance

All members of the University community are encouraged to contact the Title IX Officer if they observe or encounter conduct that may be subject to this policy. This includes conduct by employees, students, or third parties. Reports of sexual misconduct may be brought to the Title IX Officer or to any manager, supervisor, or other designated employee responsible for responding to reports of sexual misconduct. If the person to whom misconduct normally would be reported is the individual accused of misconduct, reports may be made to another manager, supervisor, or designated employee or directly to the Title IX Coordinator. Managers, supervisors, and designated employees are required to notify the Title IX Officer or other appropriate official designated to review and investigate sexual misconduct complaints when a report is received.

Reports of sexual misconduct should be brought forward as soon as possible after the alleged conduct occurs. While there is no stated time frame for reporting, prompt reporting will better enable the University to respond to the report, determine the issues, and provide an appropriate remedy and/or action. All incidents should be reported even if a significant amount of time has passed. However, delaying a report may impede the University's ability to conduct an investigation and/or to take appropriate remedial actions.

- a. **Reporting Options.** A victim of sexual misconduct is encouraged to report to any of the sources below. Although the victim of sexual misconduct may decline to report the incident, the University supports, encourages and will assist those who have been the victim of sexual misconduct to report the incident to any individual or entity listed below:

- i. University Police Department. An individual may report an incident of sexual misconduct directly with campus law enforcement by dialing (985) 549-**2222** or by visiting the department at its campus office located in **Pride Hall, 1301 SGA Drive**. Reporting to such officials helps protect others from future victimization; apprehend the alleged assailant; and maintain future options regarding criminal prosecution, University disciplinary action and/or civil action against the alleged wrongdoer. A complainant may request that his or her identity be kept confidential when reporting sexual misconduct to a sworn peace officer. Filing a police report does not obligate the complainant to continue with criminal proceedings or disciplinary action.
- ii. Title IX Officer. Any incident of sexual misconduct can be brought to the attention of the Title IX Officer. Although the University strongly encourages reporting sexual misconduct to the police, a complainant may request administrative action by the Title IX Officer with or without filing a police report. The Title IX Officer can grant interim accommodations such as changing academic, living, transportation or working situations; and, any interim disciplinary action to protect the safety of the complainant.

The Title IX Officer and his contact information is as follows:

Gene Pregeant

Rm. 120 Dyson Hall

Telephone number: 985/549-5888

Email address: gpregeant@selu.edu

- iii. The Office of Student Conduct. When a student is accused of sexual misconduct, regardless of the status of the alleged victim (i.e., another student, a faculty member, etc.), the relevant student disciplinary procedures set forth in the Student Conduct Code (www.southeastern.edu/code) shall constitute the formal investigation process. Any student victim of sexual misconduct may request disciplinary action by the Office of Student Conduct with or without filing a police report. A complaint can be filed with the Office of Student Conduct by dialing (985) 549-**2213**, reporting it at www.southeastern.edu/reportit, or at the campus office, located in Suite 1305 of the Student Union. The Director of the Office of Student Conduct is Gabe Willis. The Office of Student Conduct may impose interim actions such as a no contact order or an interim suspension to protect the safety of the victim. The Office of Student

Conduct extends additional rights in disciplinary procedures to victims of Sexual Misconduct which can be found at www.southeastern.edu/code.

- iv. Human Resources. A complaint of sexual misconduct when a University employee is the respondent may be brought to Tara Dupre, Human Resource Director, Human Resources Department, 900 D West University Avenue, North Campus, who will promptly inform the Title IX Officer of the complaint. Human Resources can be contacted by dialing (985) 549-**2001 or by email, tara.dupre@selu.edu**
- v. Responsible Employee. An individual may report alleged sexual misconduct to a Responsible Employee or any employee serving in an administrative role at the University. Responsible Employees must report the incident to the Title IX Officer. No employee is authorized to investigate or resolve complaints without the involvement of the Title IX Officer. Responsible employees shall include all administrators, unclassified staff, and resident assistants. Employees with confidentiality obligations as described in section 5d below are not included.
- vi. Anonymous Reports. Anonymous reports can be made at http://www.southeastern.edu/admin/police/anonymous_reporting/index.html. Individuals who choose to file anonymous reports are advised that it may be very difficult for the University to follow up and/or take action on anonymous reports, where corroborating information is limited. Anonymous reports may be used for Clery Act data collection purposes and shall be forwarded to the Title IX Officer.
- vii. Confidential Advisors. Southeastern has designated trained individuals who shall serve as confidential advisors. Confidential Advisors may, as appropriate, serve as a liaison between an alleged victim and the institution or local law enforcement when directed to do so in writing by an alleged victim who has been fully and accurately informed about what procedures shall occur if information is shared, and assist an alleged victim in contacting and reporting to a responsible employee or local law enforcement. The Confidential Advisor is authorized to liaise with appropriate staff at the institution to arrange reasonable accommodations through the institution to allow the alleged victim to change living arrangements or class schedules, obtain accessibility services, or arrange other accommodations. Requests to a Confidential Advisor for accommodations shall not trigger an investigation by the institution. The

confidential advisor is authorized to accompany the alleged victim when requested to do so by the alleged victim, to interviews and other proceedings of a campus investigation and institutional disciplinary proceedings. The confidential advisor is authorized to advise the alleged victim of, and provide written information regarding, both the alleged victim's rights and the institution's responsibilities regarding orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by a court of competent jurisdiction or by the institution. The confidential advisor is not be obligated to report crimes to the institution or law enforcement in a way that identifies an alleged victim or an accused individual, unless otherwise required to do so by law.

5. Confidentiality

The University will respect the confidentiality of victims of sexual misconduct and the alleged offender(s) as much as possible, consistent with the University's legal obligations. Individuals who wish to report or discuss incidents of sexual misconduct should be aware that employees on campus have different reporting responsibilities and different abilities to maintain confidentiality or privacy, depending on their roles at the University.

- a. Limited Confidentiality of Reports to Employees.** When considering reporting options, complainants should be aware that certain University personnel can maintain strict confidentiality, while others have mandatory reporting and response obligations. University personnel who are not confidential reporters and who receive a report of alleged sexual misconduct are required to share the information with appropriate administrative authorities for investigation and follow up. The University will protect a complainant's confidentiality by refusing to disclose his or her information to anyone outside the University to the maximum extent permitted by law. As for confidentiality of information within the University, the University must balance a victim's request for confidentiality with its responsibility to provide a safe and non-discriminatory environment for the University community.
- b. Confidentiality Requests and Interim Measures/Accommodations.** The University's inability to take disciplinary action against a respondent accused of sexual misconduct because of a complainant's insistence of confidentiality will not restrict the University's ability to provide appropriate measures for the reasonable safety of the Complainant or the University community. The University may also

use the information as an anonymous report for data collection purposes under the Clery Act.

- c. **Victim Identity Protected from Open Records.** The identity of those complaining of sexual misconduct will be withheld unless mandated by court order or otherwise required to be released by law.
- d. **Employees Required to Maintain Confidentiality.** The following individuals are not required to report information about an incident to the Title IX Officer without a complainant's permission. Non-reporters include physical and mental health professionals, including licensed counselors who provide mental health counseling to members of the University community and those who act under the supervision of a health care employee. Those offices are:

- i. University Counseling Center
Location: Student Union Annex
Phone: (985) 549-3894
Fax: (985) 549-5007
Email: slucc@southeastern.edu
Website: www.southeastern.edu/counselingcenter

- ii. University Health Center
Location: Student Union Annex
Phone: 985-549-2242
Fax: 985-549-2093
Email: health@southeastern.edu
Website: www.southeastern.edu/healthcenter

These offices will maintain confidentiality in accordance with the law and their professional rules of conduct. They will assist in a crisis situation and provide information about possible resources, some of which may include law enforcement, medical assistance, psychological counseling, victim advocacy assistance, legal assistance, University disciplinary action, immigration services and criminal prosecution. They will not reveal the complainant's identity to anyone without the complainant's permission except under very limited exceptions (e.g., if an immediate threat to the complainant or others is present, or if the complainant is a minor). Complainants need not reveal their names if calling these individuals for information. Confidential Advisors described in 4.vii. are also not obligated to report crimes to Southeastern or law enforcement in a

way that identifies an alleged victim or an accused individual unless otherwise required to do so by law.

- e. Employees Who Must Report – Responsible Employees.** A responsible employee who receives a report of sexual misconduct must report to the Title IX Officer all relevant details about the alleged sexual misconduct shared by the complainant. A responsible employee should not share information with law enforcement without the complainant's consent, or unless the complainant has also reported the misconduct to law enforcement.

Before a complainant reveals any information to a responsible employee, the employee should ensure that the victim understands the employee's reporting obligations - and, if the complainant wants to maintain confidentiality, direct the complainant to confidential resources.

If the complainant chooses to tell the responsible employee what happened but also states that she or he wants to maintain confidentiality or does not want the matter investigated, the employee should tell the complainant that the University will consider the request but cannot guarantee that the University will be able to honor it. The responsible employee should explain his/her duty to report the incident to the Title IX Officer and that the report may be used for Clery Act data collection purposes. In reporting the details of the incident to the Title IX Officer, the responsible employee will also inform the Title IX Officer of the complainant's request for confidentiality.

When weighing a complainant's request for confidentiality or that no investigation or discipline be pursued, the University will consider a range of factors, including

- i. The increased risk that the alleged perpetrator will commit additional acts of sexual misconduct or other violence;
- ii. Whether there have been other sexual misconduct complaints about the same alleged perpetrator;
- iii. Whether the alleged perpetrator has a history of arrests or records from a prior school indicating a history of violence;
- iv. Whether the alleged perpetrator threatened further sexual misconduct or other violence against the complainant or others;
- v. Whether the alleged sexual misconduct was committed by multiple perpetrators;
- vi. Whether the alleged sexual misconduct was perpetrated with a weapon;

- vii. Whether the complainant was a minor at the time of the alleged conduct;
- viii. Whether the University possesses other means to obtain relevant evidence of the alleged sexual misconduct (e.g., security cameras or personnel, physical evidence); or
- ix. Whether the complainant's report reveals a pattern of conduct (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.

f. Breaches of Confidentiality. Breaches of confidentiality or privacy committed by anyone receiving a report of alleged sexual misconduct or investigating the report of alleged sexual misconduct may be considered a separate violation of this Policy and may result in disciplinary sanctions.

6. Investigation Procedures and Protocols. Generally, upon receipt of a report of sexual misconduct the Title IX Officer will:

a. Assignment. The Title IX Officer will review the complaint and investigate the matter. Alternatively, the Title IX Officer may assign the investigation to a Deputy Coordinator or Investigator and advise the complainant of the name and contact information of the individual assigned. If a student complainant requests a disciplinary review the Title IX Officer may also assign the investigation to the Office of Student Conduct. The procedures and protocols for the Office of Student Conduct can be found at www.southeastern.edu/code.

b. Initial Meeting with Complainant. As soon as is practicable, the individual investigating the complaint shall contact the complainant and schedule an initial meeting. At the initial meeting the Investigator will:

- i. Provide a copy of this policy which explains the process and rights of all parties;
- ii. Request additional information regarding the reported incident;
- iii. Explain the investigatory process;
- iv. Explain the options for reporting to law enforcement authorities (whether on campus or local police) and the Office of Student Conduct;
- v. Discuss confidentiality standards and concerns with the complainant and advise that confidentiality may impact the University's ability to investigate fully;
- vi. Determine whether the complainant wishes to pursue a resolution (formal or informal) through the University and that the decision to begin with an informal resolution does not preclude formal resolution;
- vii. Refer the complainant, as appropriate, to the Counseling Center or other resources which may include law enforcement, medical assistance,

psychological counseling, victim advocacy resources, legal resources, University disciplinary action, immigration services, and criminal prosecution; and,

- viii. Inform the complainant that they have the right to utilize the confidential advisor and/or any other advisor of their choosing throughout the process;
- ix. Discuss with the complainant, as appropriate, possible interim accommodations/measures including but not limited to campus no-contact orders, reassignment of housing or work assignments, and modification of class schedules.

- c. Notice of Allegations to Respondent.** At the outset of an investigation, the investigator will provide the respondent prompt (ten working days) notice of the allegations against him or her in writing together with a copy of/link to this Policy. A written notice of all documents will be provided to the complainant concurrently with respondent.
- d. Investigation Time Frame.** The investigation should begin within five working days of the notice to the respondent and must be concluded within a reasonable time frame, preferably no longer than ten working days.
- e. Equitable Treatment.** The investigator will remain neutral throughout the investigation and provide both the complainant and respondent opportunities to respond in person and in writing, to submit relevant documents, and to produce relevant witnesses. Both parties shall also be afforded simultaneous notices, an opportunity to have a representative or advisor present at all meetings, and the ability to inspect any information that will be used after the investigation during informal and formal disciplinary meetings. At no time will either party be offered mediation as an option to resolve a sexual misconduct case that involves violent or criminal conduct.
- f. Report of Investigation.** The investigator will complete a written investigative report that includes summaries of interviews conducted; photographs, if any; documents and materials received; descriptions of relevant evidence; summaries of relevant electronic records; and a detailed report of the events related to the incident. When the investigator is not the Title IX Officer, the investigative report will be submitted to the Title IX Officer for review and findings. The Title IX Officer will review the report of investigation using a “preponderance of the evidence” standard and make a finding as to whether it is more likely than not that respondent violated the Sexual Misconduct Policy, and which specific sections of the Policy were violated.

If the investigation was coordinated by the Office of Student Conduct a formal hearing will be coordinated as outlined at www.southeastern.edu/code.

If a student accused of a sexually-oriented criminal offense seeks to transfer to another institution during an investigation, the institution shall withhold the student's transcript until such investigation or adjudication is complete and a final decision has been made.

g. Sanctions. Both the complainant and respondent will be informed in writing of the results of any disciplinary proceedings no later than ten (10) business days after the resolution. If the Respondent is found responsible for sexual misconduct, the University will initiate a sanctioning process designed to eliminate the misconduct, prevent its recurrence, and remedy its effects, while supporting the University's educational mission and Title IX obligations. Sanctions or interventions may also serve to promote safety or deter students from similar future behavior. Some behavior is so harmful to the University community or so detrimental to the educational process that it may require more serious sanctions or interventions, such as removal from University housing, removal from specific courses or activities, suspension or expulsion from the University, or employment termination. Sanctions or interventions may include, but are not limited to, one or more of the following:

- i. **Formal Reprimand:** A formal notice that the respondent has violated University policy and that future violations may be dealt with more severely.
- ii. **Disciplinary Probation:** A designated period of time during which the respondent is not in good standing with the University. The terms of probation may involve restrictions of student privileges and/or set specific behavioral expectations.
- iii. **Restitution:** Reasonable and limited compensation for loss, damage, or injury to the appropriate party in the form of money or material replacement.
- iv. **Restriction from Employment at the University:** Prohibition of, termination from, or limitation on University employment.
- v. **Class/Workshop/Training/Program Attendance:** Enrollment in and completion of a class, workshop, training, or program that could help the respondent or the University community.
- vi. **University Housing Transfer or Removal:** Placement in another room or housing unit or removal from University housing. Housing transfers or removals may be temporary or permanent depending on the circumstances.
- vii. **Professional Assessment:** Completion of a professional assessment that could help the respondent or the University ascertain the respondent's

ongoing supervision or support needs to successfully participate in the University community.

- viii. **Removal from Specific Courses or Activities:** Suspension or transfer from courses or activities at the University for a specified period of time.
- ix. **No Contact:** Restriction from entering specific University areas and/or from all forms of contact with certain persons.
- x. **Suspension:** Separation from the University for a specified period of time or until certain conditions are met.
- xi. **Expulsion:** Permanent separation from the University.
- xii. **Transfer Notification:** If a student is found responsible for a sexually-oriented criminal offense upon the completion of such investigation and/or adjudication and seeks to transfer to another institution, the institution is required to communicate such a violation, when the institution becomes aware of the student's attempt to transfer, with the institution(s) to which the student seeks to transfer or has transferred.

h. Appeals. Either party may appeal the outcome of the matter except where a respondent has accepted an agreement under the sanctioning process outlined above. A review of the matter will be efficient and narrowly tailored. In student on student matters adjudicated by the Office of Student Conduct a party may appeal a Student Conduct Hearing Board's decision based on the appeals procedures outlined in the Student Code of Conduct which can be found at www.southeastern.edu/code. For those cases adjudicated by the Title IX Officer or his/her designee, a party may seek review only on the following grounds:

- i. A material deviation from the procedures affected the outcome of the case; and/or
- ii. There is new and relevant information that was unavailable, with reasonable diligence and effort, at the time of the investigation that could reasonably affect the investigation findings; and/or
- iii. The sanctions/interventions are inappropriate or disproportionate to the determined violation(s)

To request a review from a case adjudicated by the Title IX Officer or his/her designee, a party must submit a written appeal to the University President within ten (10) calendar days of the date of the notification of the decision. The University President or his/her designee will assign an Appeals Board to review the appeal. The University President may deem a late submission reasonable under certain extraordinary and extenuating circumstances.

The Appeals Board will strive to complete review of an appeal within fifteen (15) days of its receipt. In a closed session, the Appeals Board will review the matter

based on the issues identified in the request for appeal. The Appeals Board may conclude that there are no relevant issues of concern and therefore recommend that the University President affirm the final decision and any sanctions/interventions. If the Appeals Board identifies issues of concern, the Board will provide the University President with one of the following recommended actions and any additional instructions or recommendations it deems appropriate under the circumstances:

- i. If there was a material deviation from procedure, remand the matter to the Title IX Officer and/or a new investigator with corrective instructions from the Appeals Board.
- ii. If new information appears relevant, refer the matter to the Title IX Officer and/or the original investigator if available, to determine whether any modifications may need to be made to the original investigative report.
- iii. If the new evidence clearly does not support the finding(s) and provides firm and definite support for modification, the matter will be submitted to the University President or designee to review, in consultation with the Title IX Officer, and make any necessary modifications to the report.
- iv. If the sanctions are clearly inappropriate or disproportionate, alter the sanctions or interventions accordingly.

After necessary consideration and consultation with others, as appropriate, including the Title IX Officer, the University President or the designee may accept or modify the recommendations made by the Appeals Board. The University President's final and unreviewable decision will be made available to the participating parties, in writing, simultaneously.

6. Additional Information

- a. Prevention and Awareness Programs** - Southeastern offers education and prevention programs that include, but are not limited to: (a) awareness programs; (b) bystander intervention programs; (c) ongoing prevention and awareness campaigns; (d) primary prevention programs; and (e) education on risk reduction on an annual basis.
- b. Preservation of Evidence.** Preservation of evidence is critical in instances of sexual misconduct. Prompt reporting may preserve options that delayed reporting does not, including the preservation of physical evidence (which may be necessary to prove sexual misconduct or to obtain a judicial order of protection), the support of crisis counseling, and immediate police response.

- c. Amnesty from Student Discipline for the Reporting Party.** Assisting students who are reporting sexual misconduct is the University's primary interest. In order to facilitate reporting, the University may choose not to charge students who report sexual misconduct and any material witnesses with Student Code of Conduct violations for behavior that otherwise would be considered violations (for example consuming alcohol underage or consuming illegal drugs).
- d. Retaliation.** Retaliation against an individual for making a good faith complaint of unlawful discrimination, harassment or other unlawful practice, or for using or participating in the complaint process, is a violation of University policy and is strictly prohibited. More about the University's retaliation policy can be found at <http://www.southeastern.edu/resources/policies/assets/retaliation.pdf>.
- e. Support Services.** Upon receiving a report of sexual misconduct, Southeastern will immediately provides to complainants and respondents the following: on- and off-campus resources, including but not limited to local advocacy, counseling, health and mental health services, as applicable. These are offered regardless of whether the complainant chooses to formally report the incident. Southeastern has developed and distributed contact information for this purpose as well as provide such information on-line.
- f. Campus Climate Survey.** As per BoR and ULS Policy and in accordance with ACT 172, each institution will administer a campus climate survey annually to their students with the intention of assessing campus safety and identify vulnerabilities. This will be coordinated by the BoR and institutions will be required to submit results of the survey to the BoR. Nicholls State University may supplement the statewide survey by collecting additional information that can be utilized to develop prevention and intervention strategies appropriate for its institution.
- g. Coordination with Local Law Enforcement.** University Police, in accordance with BoR and ULS Policy as well as best practices, has established agreements with local law enforcement agencies that enhance the coordination of training, information sharing in investigations, evidence preservation, and responsibilities. A copy of the MOU describing these factors in detail is maintained in the University Police Department.
- h. Freedom of Speech.** This policy and procedures will be implemented in a manner that does not infringe upon anyone's First Amendment Rights.

Accommodations for Students with Disabilities

The Office of Disability Services ensures access for qualified students with disabilities, promotes self-advocacy skill development, and provides guidance to the University community to enhance the understanding and support of students with disabilities.

It is the student's responsibility to self-identify with the Office of Disability Services, to request accommodations each semester, and to provide their instructor(s) with an accommodation letter from the Office of Disability Services. Medical documentation to substantiate the claim of a disability must be submitted as part of the self-identification process. This is outlined in the publication "Disability Services Policy and Guide Book," which is available from the Office of Disability Services.

It is the Faculty's responsibility to maintain the student's confidentiality, provide appropriate accommodations (approved by the Office of Disability Services) in a timely manner either independently or in collaboration with the Office of Disability Services and the Testing Center. Faculty are to maintain the same standards for students with disabilities as are applied to all other students with the exception to accommodations determined by the Office of Disability Services.

Faculty members are encouraged to contact the Office of Disability Services at ext. 2247 with any questions or concerns about their students' accommodations. Further information can also be located at: southeastern.edu/disabilityservices

avoiding unintended pregnancy in college

This information provided in accordance with ACT 321 - SB 106 effective June 2017. All public postsecondary institutions are required to address the prevention of unplanned pregnancies among unmarried college students as a part of freshmen orientation.

Less than 1 in 10 students with children complete a bachelor's degree within 6 years of college entry.

61% of women who have children after enrolling in community college fail to finish their degree, which is 65% higher than the rate for those who don't have children.

Over a quarter (26%) of all undergraduate students, or 4.8 million students are raising dependent children.

The unintended pregnancy rates in Louisiana are among the highest in the U.S.

95% of unintended pregnancies occur when partners do not use any contraception or use contraception incorrectly.

Abstinence is the only 100% effective method of preventing pregnancy BUT when used correctly there are several contraceptive methods that are extremely effective.

The University Health Center provides contraceptive counseling and prescriptions. Make an appointment online for your contraceptive needs. Free condoms are always available.
