# Student Code of Conduct

## ARTICLE I: PURPOSE

Southeastern Louisiana University, in pursuit of its educational mission, seeks to teach students citizenship, to value others and respect community. The University affirms that students, upon enrollment, do not lose the rights of, nor are they exempted from, fulfilling the obligations and duties of citizens. Students have the responsibility to familiarize themselves with the Student Code of Conduct and with University policies including, but not limited to, those pertaining to harassment, computer use, academic dishonesty, and traffic regulations. Students are expected to conduct themselves in a manner which supports the educational mission and functions of the University, as well as to comply with all federal, state, and local laws, and all applicable University policies.

**The University reserves the right to change the Student Code of Conduct at any time during the academic year. It is each student's responsibility to keep abreast and comply with the Student Code of Conduct as well as other published rules and policies. A current copy of the Student Code of Conduct can be found at [www.southeastern.edu/code](http://www.southeastern.edu/code). Students may also obtain a copy of this information by contacting the Southeastern Louisiana University Office of Student Conduct at (985) 549-2213.**

## **ARTICLE II: DEFINITIONS**

The following definitions apply to terms and or phrases used in Southeastern Louisiana University Student Code of Conduct:

- A.** The term "University" means Southeastern Louisiana University.
- B.** The term "student" includes all persons taking courses at the University whether full time, part-time, dually enrolled, visiting, online, or pursuing undergraduate, graduate, professional studies or non-degree seeking. Also included are those who attend post-secondary educational institutions other than Southeastern Louisiana University and who reside in University residence halls. This Student Code also applies to all persons taking courses at satellite locations of the University.
- C.** The term "organization" and/or "student organization" means any number of persons who have complied with the formal requirements for University recognition. These terms are interchangeable with the term "student" as it relates to all areas of the Student Code of Conduct unless otherwise stated. In other words, student organizations will be held responsible for abiding by the Student Code of Conduct as if they were individual students and are subject to all regulations and sanctions herein stated.
- D.** The term "faculty member" means any person hired by the University to conduct classroom or academic activities.
- E.** The term "staff member" means any person hired by the University to work and/or perform administrative or other responsibilities.
- F.** The term "University official" includes any person employed by the University, performing assigned administrative or professional responsibilities.
- G.** The term "member of the University community" includes any person who is a student, faculty member, staff member, University official or any other person employed by or associated with the University. A person's status in a particular situation shall be determined by the Vice President for Student Affairs or the Chief Student Conduct Officer.
- H.** The term "University premises" includes all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the University (including adjacent streets and sidewalks), either on the main campus or at satellite sites.
- I.** The term "Chief Student Conduct Officer" means that person designated by the Vice President for Student Affairs who is primarily responsible for administration

of the Student Code of Conduct. The Chief Student Conduct Officer serves as a Hearing Officer and a Hearing Board Advisor and designates others to do so as needed. Nothing shall prevent the Vice President for Student Affairs from authorizing the Chief Student Conduct Officer from imposing sanctions in all cases.

- J.** The term "Assistant Director of the Office of Student Conduct (OSC)" means that person designated by the Vice President for Student Affairs and reports to the Chief Student Conduct Officer who is responsible for administration of the Student Code of Conduct. The Assistant Director of OSC serves as a Hearing Officer and a Hearing Board Advisor and designates others to do so as needed. Nothing shall prevent the Vice President for Student Affairs from authorizing the Assistant Director of OSC from imposing sanctions in all cases.
- K.** The term "Residential Conduct Officer" means that person designated by the Director of University Housing who is responsible for administration of the Student Code of Conduct as it applies to on-campus residents who are involved in incidents that occur within the facilities and do not rise to the level of possible expulsion or suspension from the University. Residential Conduct Officers serve as Hearing Officers and Hearing Board Advisors.
- L.** The term "Hearing Board Advisor" means the professional staff person designated by the Vice President for Student Affairs, the Chief Student Conduct Officer or the Assistant Director of OSC who serves in an advisory capacity to a hearing board.
- M.** The term "hearing body" means any person or persons authorized by the Vice President for Student Affairs, the Chief Student Conduct Officer, or the Assistant Director of OSC to determine whether a student has violated the Student Code of Conduct. There are two types of hearing bodies: (1) a Hearing Officer, and; (2) a Hearing Board.
  - 1. The term "Hearing Officer" or "Administrative Hearing Officer" means a University official authorized to administer the Student Code of Conduct, its corresponding administrative procedures, and to impose sanctions upon students found to have violated the Student Code of Conduct. Examples of Hearing Officers include, but are not limited to, the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, and/or Residential Conduct Officers. Nothing shall prevent the Vice President for Student Affairs from authorizing a University Official to serve in the role of "Hearing Officer" or "Administrative Hearing Officer".
  - 2. Hearing Boards include:

- a. Student Conduct Hearing Board: A committee of students and faculty and/or staff members who hear discipline cases. This hearing board is authorized to determine whether a student and/or a student organization has violated the Student Code of Conduct and to recommend the imposition of sanctions. The board consists of at least two but no more than four members and a chairperson (who votes only in case of a tie).
  - b. Administrative Hearing Board: A group of faculty and/or staff who are appointed by the Vice President for Student Affairs, the Chief Student Conduct Officer, or designee to serve as the hearing body. The board consists of at least two but no more than four members and a chairperson (who votes only in case of a tie). An Administrative Hearing Board may be used in cases including, but not limited to those involving: scheduling difficulties, such as when a hearing is scheduled between academic semesters or during final examination periods; the sensitive nature of an incident, such as cases of alleged sexual harassment where a party involved is concerned with issues of confidentiality, and/or; other cases where the Vice President for Student Affairs, the Chief Student Conduct Officer or designee determines an administrative hearing is appropriate to the incident.
- N.** The term “Mediator” means a University official authorized on a case-by-case basis by the Vice President for Student Affairs, the Chief Student Conduct Officer or designee to conduct an alternative dispute resolution process in cases where both parties agree to work to resolve an incident in a setting less formal than a hearing.
- O.** The term “Complainant” means any member of the University community who submits a charge alleging that a student violated the Student Code.
- P.** The term “Respondent” means any student accused of violating this Student Code.
- Q.** The term “Sanction” means any type of corrective or restorative action intended to remediate a violation of the Student Code of Conduct.
- R.** The term “Witness” means anyone who has first hand knowledge of an incident. Witnesses play a voluntary role and may decline any involvement in the disciplinary process. Both the Complainant and Respondent shall have the right to call witnesses. Although both the complaining and responding parties are responsible for requesting the support of their own witnesses, nothing shall prevent the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, the Residential Conduct Officer or designee from calling witnesses.

- S.** The term “Administrative Discipline Conference” or “Discipline Conference” means a meeting between the student and the appropriate hearing officer. At that conference the Student Code of Conduct and applicable administrative procedures are discussed.
- T.** The term “shall” is used in the imperative/mandatory sense.
- U.** The term “may” is used in the permissive sense.
- V.** The term “policy” is defined as the written regulations of the University as found in, but not limited to, the Student Code of Conduct, Residential Life Handbook, and University Catalog. The term includes, but is not limited to, the University Alcohol and Drug Policy, Sexual/Racial Harassment Policy, Computer Use Policy, Traffic Regulations, and Student Organizations/Greek Life Policies and Procedures Manual.
- W.** The term “cheating” includes, but is not limited to: (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; (3) the acquisition, without permission, of tests or other academic materials belonging to a member of the University faculty or staff; (4) engaging in any behavior specifically prohibited by a faculty member in the course syllabus or class discussion; (5) and/or other violations as defined by University policies.

It also includes stealing and passing off the ideas and/or words of another as one’s own; using a created production without crediting the source; the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials; and/or other violations as defined by University policies.

### **ARTICLE III: CONDUCT AUTHORITY**

- A.** The Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, or the Residential Conduct Officer shall determine the composition of hearing bodies.
- B.** The Vice President for Student Affairs, Chief Student Conduct Officer, the Assistant Director of OSC and the Director of University Housing shall develop policies for the administration of the conduct program and procedural rules for the conduct of hearings which are consistent with provisions of the Student Code of Conduct.
- C.** An Administrative Hearing Officer, Residential Conduct Officer, and/or a Hearing Board determines if a student or student organization is responsible for a breach of the Student Code of Conduct and any other University policy regarding student behavior. Hearing Boards recommend sanctions to the Hearing Board Advisor or the Chief Student Conduct Officer, the Assistant Director of OSC or the Director of University Housing. The only authority who can determine sanctions (as opposed to recommending those sanctions) is a Hearing Officer, Residential Conduct Officer, Hearing Board Advisor, the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, and/or the administrator who hears the appeal.
- D.** As a rule, all incidents which may result in suspension or expulsion from the University will be referred, after an initial disciplinary conference, to a Student Conduct Hearing Board or an Administrative Hearing Board. However, should the accused take responsibility for the alleged violation and choose not to proceed to a hearing board or panel, the Vice President for Student Affairs, the Chief Student Conduct Officer, the Assistant Director of OSC, or designee may choose to honor the request. The request must be in writing and signed by the respondent.
- E.** Decisions made by a hearing board and/or hearing officer shall be final, pending normal appeal procedures.
- F.** After an initial contact with an administrative hearing officer, a mediator may be designated as arbitrator of a dispute within the campus community in cases where both parties agree to this alternative resolution. Both parties must agree to mediation and to be bound by the decision with no right of appeal. If the parties do not uphold the mediated agreement; if the parties do not appear at the designated mediation session; or, if the incident cannot be resolved in the mediation, the case may be resolved through a hearing.

### **C. Violation of Law and University Discipline**

1. If a student is charged only with an off-campus violation of federal, state, or local laws, but not with any other violation of this code, disciplinary action may be taken and sanctions imposed for grave misconduct which has a detrimental impact on the University's educational function.
2. Students may be accountable to both external authorities and to the University for acts that constitute violations of federal, state, or local laws and this code. At the discretion of the Vice President for Student Affairs or the Chief Student

Conduct Officer disciplinary proceedings will continue normally regardless of pending administrative, civil or criminal proceedings arising out of the same or other events. The outcomes of disciplinary proceedings will not be subject to challenge on the ground that criminal charges involving the same incident have been dismissed, reduced, or are pending.

3. When a student is charged by federal, state or local authorities with a violation of law, the University will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before a hearing body under the Student Code of Conduct, however, the University may advise off-campus authorities of the existence of the Student Code of Conduct and of how such matters will be handled internally within the University community. The University will cooperate fully with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and faculty/staff members, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

## **ARTICLE V: STUDENT RIGHTS AND RESPONSIBILITIES**

**The University affirms the following student rights and privileges in disciplinary proceedings:**

1. To be informed of the Student Code of Conduct and its corresponding procedures;

Any member of the University community may file a discipline charge or complaint against a student when that person believes the student has violated any University policy;

4. To have the benefit of an opportunity to be heard by an impartial Hearing Board or Hearing Officer in addressing an allegation/s of a violation of University policy;
5. To have an advisor, including an attorney, present in a disciplinary conference and/or hearing. Advisors may not participate directly in a disciplinary conference and/or hearing process nor may an advisor address any participant in the disciplinary conference and/or hearing process other than the student the advisor represents;
6. To examine evidence to be used against him or her at the administrative discipline conference or prior to a formal hearing;
7. To view the list of witnesses against him or her at the administrative discipline conference or prior to a formal hearing.

### **B. Victim's Rights**

**The University affords additional rights to student victims of crimes of violence and harassment (i.e. such as sexual assault, rape, physical assault, hazing, sexual harassment, and stalking) in disciplinary proceedings:**

2. To have a campus no contact order against the alleged student;
3. To have a hearing board comprised of representatives of both genders;

sexual history);

5. To testify with special accommodations (i.e. by phone, behind a screen, video, etc.);
6. To have no direct contact with the accused student during the hearing (i.e. questions from the accused student would be posed through the Board Chairperson and then relayed to the victim);
7. To provide questions to the Board Chairperson prior to or during the hearing that she/he may incorporate those into questioning the accused student;
8. To be informed of the names of all witnesses who will be called to give testimony;
9. To have an advisor present at all proceedings;
10. To request a recess during the hearing;
11. To be informed of outcome of the discipline process;
12. To appeal the Hearing Board's decision as defined in Article VII, Section A of the Code of Student Conduct.

### **C. Student Responsibilities**

The following responsibilities represent the standard of conduct at the University:

4. To respect the personal and property rights of others;
5. To stay informed by reading communications from the University.

## **ARTICLE VI: DISCIPLINARY PROCEDURES**

### **A. Charges**

1. Complaints of misconduct against a student may be filed by any member of the University community. Complaints shall be prepared in writing and directed to the Office of Student Conduct, or, in violations occurring in the University residential facilities, to the Residential Conduct Officer or designee. In the disciplinary hearing, the complainant (person filing charges) bears the burden of proof. Persons considering filing complaints are encouraged to arrange for a meeting with a Conduct Officer prior to filing complaints to discuss filing and hearing procedures.
  - a. The written complaints should include:
    1. Full name, local address, and phone numbers of the complainant, accused, and witnesses, (and whenever possible, "W" numbers);
    2. The specific conduct standard, policy, and/or rule allegedly violated (this may be determined by the conduct officer);
    3. The date, time, location and persons involved in the incident under investigation;
    4. A narrative of the incident describing what occurred;
    5. Copies of pertinent witness statements, police and/or housing reports, along with a list of any other physical evidence (photographs, written documents, items, etc.), to be presented at the hearing; and,
  - b. Complaints should be submitted as soon as possible after the incident, preferably within five (5) working days. Barring unusual or extenuating circumstances complaints may not be accepted for incidents which occurred more than 30 working days prior to filing.
2. Students may not avoid campus disciplinary action by withdrawing or graduating from the University. Any complaints/charges or sanctions pending when a student leaves the University must be properly disposed of prior to releasing the student's records or the matter may be adjudicated without the respondent being present. The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Conduct Code, including the completion of all sanctions imposed, if any. Students who receive a disciplinary sanction involving separation from the University, and/or University housing are reminded that the University's normal refund policy will apply.

3. The Hearing Officer may conduct an investigation to determine if the complaint has merit and/or if the complaint can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Hearing Officer.

## **B. Preliminary Administrative Disciplinary Conference**

1. Upon receipt of a properly filed complaint, a staff member of the appropriate conduct office shall notify the accused student by e-mail, regular mail or hand delivery that proceedings have been initiated. The letter indicates a scheduled meeting time with a Hearing Officer, or directs the student to schedule a preliminary/administrative discipline conference within a specified amount of time. The letter also lists the alleged violation with which the student is being charged. Failure to comply with this directive may result in a full hearing board being scheduled.
2. The purpose of the preliminary administrative disciplinary conference is to provide the student an opportunity to review the alleged offense/s with the Hearing Officer, to examine evidence, to discuss the Student Code of Conduct and the discipline process. Students who do not have a copy of the Student Code of Conduct will be given one in this preliminary meeting or will be directed to an on-line copy. Further, the student and the Hearing Officer will determine if the matter can be resolved through mutual agreement, including, but not limited to, the charges/complaints being rendered null and void; an administrative agreement being signed which indicates the student assumes responsibility for a violation/s of the Student Code of Conduct; or, a referral to mediation. If at the administrative disciplinary conference, the respondent assumes responsibility for an infraction, the student may sign an administrative agreement and waive any further proceedings and/or appeals. If the complaint cannot be disposed of by mutual consent, the matter will be referred to a hearing involving a Student Conduct Hearing Board or an Administrative Hearing Board.

The Hearing Officer may later serve in the same matter.

## **C. Hearings involving a Hearing Board**

In cases which cannot be resolved in an Administrative Disciplinary Conference, and in those incidents which rise to the level of expulsion or suspension from the University or University Housing, the matter will be referred to a Student Conduct Hearing Board, or an Administrative Hearing Board. Hearings involving a hearing board are designed for both the complainant and respondent to present their accounts of an incident.

1. The accused student shall be given written notice of the hearing to inform him/her of the specific charge(s), of his/her rights as a student, and the date, time,

and location of the hearing.

- a. Generally, a time set for a hearing will be no fewer than two or more than 15 working days after the student has been notified of the hearing. However, due to the nature of the academic year, if the incident occurs close to the end of a semester, or if the appropriate hearing body cannot be scheduled, the student's case will be heard as soon as a hearing can be scheduled.
  - b. Maximum time limits for scheduling hearings may be extended at the discretion of the Vice President for Student Affairs, the Chief Student Conduct Officer, the Assistant Director of OSC, and the Director of University Housing.
  - c. Notice shall be sent/delivered to the last local/ mailing address and/or E-mail account identified on the student's official records, and shall be considered delivered two working days after the letter has been posted.
  - d. Students are responsible for notifying the University of their current contact information including physical/ mailing/ electronic addresses. Address changes must be made through the Office of Records and Registration. Failure to notify the University of the current local address, to collect one's mail from one's address, and/or to receive or sign for a discipline mailing does not void the fact that a notice was delivered.
  - e. Hand delivered notices are considered to be delivered on the date they are given to the student.
2. The purpose of a disciplinary hearing is to determine if the accused student is responsible for violating one or more standards of the Student Code of Conduct, and to recommend any appropriate sanctions. A student is presumed to be not responsible until proven responsible in a disciplinary hearing. The burden of proof shall rest on the complainant.
3. Order of the Hearing

The hearing is structured such that the discussion proceeds in an orderly manner.

Below is the order that the hearing follows:

- The reading of the complaint/charges by the hearing chairperson;
- The entering of pleas by each respondent.
- There are three pleas: Responsible, Not Responsible, and No Plea, which indicates that the student does not know whether or not she/he is responsible, or means

the student is unwilling to say and is allowing the Board to decide.

- Statement of complainant and introduction of evidence;
  - Questioning by the respondent and the Board and or the Hearing Board Advisor;
  - Statement of the respondent and introduction of evidence;
  - Questioning by the complainant and the Board, and the Hearing Board Advisor;
  - Statement of the complainant's witnesses, followed by respondent's questions, and, then those of the Board and or the Hearing Board Advisor;

  - Additional questions by the Board, the Hearing Board Advisor, complainant, and/or respondent;
  - Closing statements, first by the complainant and then by the respondent;
  - Deliberation of the Board;
  - Recommendation of the Board to the advisor;
  - Notification of the decision and, if necessary, sanctions. Delivery of the notice may be by hand or through the mail.
    - a. Closing statements shall be specific to the incident involved and may include any reiteration of previously stated facts, written statements of character by a third party, and/or any other comments involving the case. Closing statements are the final opportunity for the respondent and the complainant to provide any additional information which will facilitate the Board's decision, including recommendations for sanctions. Closing statements may be limited to a specified time constraint at the Board and or the Hearing Board Advisor's discretion.
4. A hearing before a Hearing Board shall be conducted according to the following guidelines:
- a. Hearings normally shall be conducted in private. Only the hearing body/officer, respondent, complainant, their designated advisors, the recorder, and persons identified with the University community as having an educational need to know, may be present for the beginning of the hearing. Each witness will be called into the hearing individually to give testimony. Subject to the approval

of the Hearing Board Advisor and the parties involved, an observer may be admitted, but shall not have the privilege of participating in the hearing. Written requests for a waiver of rights to a private hearing, along with proper documented approval from all parties outlined above, must be submitted to the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, or the Residential Conduct Officer at least 48 hours prior to the hearing. Admission of any person to the hearing shall be at the discretion of the hearing body and/or the Hearing Board Advisor. Only the hearing body/officer and persons identified with the University community as having an educational need to know may be present during deliberations.

- b. In hearings involving more than one respondent student, the Hearing Board Advisor, at his or her discretion, may permit the hearing concerning each student to be conducted separately.
- c. The complainant and the respondent have the right to be assisted by any advisor they choose, at their own expense. The complainant and the respondent are responsible for presenting their own cases and; therefore, advisors are not permitted to speak or to participate directly in any hearing before a hearing body. Written notification of the name and relationship of an advisor to the complainant or respondent must be submitted to the Hearing Board Advisor at least 24 hours prior to the hearing.
- d. The complainant, the respondent and the hearing body shall have the privilege of presenting witnesses, subject to questioning. All parties are responsible for notifying their witnesses of the date and time of the hearing. Written notification of the names and relationships of witnesses to the complainant or respondent must be submitted to the Hearing Board Advisor at least 24 hours prior to the hearing.
- e. Respondents have the right to remain silent, although present, at disciplinary hearings. They may refuse to answer any question or questions and shall participate in the remainder of the hearing. Remaining silent or refusing to answer questions shall not be construed as an admission of responsibility, or used against the student.
- f. Statements given in disciplinary hearings are confidential in nature and may not be discussed outside of the hearing and/or discipline process.
- g. Lying or intentionally misleading the Board/Hearing Officer will not be tolerated, and may be referred for disciplinary action.

- h. Pertinent records, exhibits and written statements may be accepted as evidence for consideration by a hearing body at the discretion of the chairperson and/or the Hearing Board Advisor.
  - i. All procedural questions are subject to the final decision of the chairperson of the hearing body and/or the Hearing Board Advisor.
  - j. After the hearing, the hearing body shall determine (by majority vote) whether the student violated each section of the Student Code of Conduct the student is charged with violating.
  - k. Hearing body deliberations to determine responsibility shall be conducted in confidential, closed sessions, as are any sanctioning portions.
  - l. The hearing body's determination of responsibility shall be made if a preponderance of the information, that is, the facts and information, presented in the hearing are such that the hearing officer or hearing board finds it more likely than not that the respondent is responsible for the offense as charged.
  - m. Strict rules of evidence do not apply at campus disciplinary hearings. Although first hand testimony is preferable, written statements, hearsay testimony and other evidence are allowed, subject to the discretion of the hearing chair and/or Hearing Board Advisor.
  - n. Following the final decision of the hearing body, the respondent, will be informed of the determination and recommended sanction, if any, within ten business days. In cases of sexual assault and/or physical violence, the complainant shall also be informed simultaneously of the determination.
5. There shall be a record, usually an audio tape recording, of all hearings before a Hearing Board. Deliberations shall not be recorded. The official hearing record will be a transcription of the audio tape recording. An official hearing record may be made at the expense of the appellant. Students are cautioned that information contained in official hearing records is strictly confidential, and should only be used in matters of campus appeals. The record shall be the property of the University.
6. The Hearing Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Respondent, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, indirect questioning, or other means, where and as determined in the sole judgment of

the Chief Student Conduct Officer to be appropriate.

7. Except in the case of a student charged with failing to obey the summons of a hearing body or University official, no student may be found to have violated the Student Code of Conduct solely because the student failed to appear before a hearing body. In all cases, the evidence in support of the complainant(s) charge(s) shall be presented and considered, whether or not the respondent is present.
8. Refer to the specific policy for further details of other University policies.

## **E. Typical Ranges of Sanctions**

Sanctioning ranges established by the University exist for students found responsible for violating certain sections of the Student Code of Conduct.

However, ranges exist to provide a guide and are not mandatory as each case is determined on a case-by-case basis, taking into account intervening variables, the determination of the Hearing Officer or Board of the student's realization and understanding of his/her actions, whether the student has been involved in past infractions of the Student Code of Conduct, and the individual circumstances of the incident. Living on campus is a privilege, not a right. The University reserves the right to terminate this privilege, at any time, for inappropriate behavior by a student.

1. Interim suspension may be imposed only:
  - a. To ensure the safety and well being of members of the University community or preservation of University property;
  - b. To ensure the student's physical or emotional safety or well being; or,

## **ARTICLE VII: APPEALS**

- A. A decision reached by the hearing body or a sanction imposed by the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, and/or the Residential Conduct Officer may be appealed by accused students. A decision reached by the hearing body or a sanction may also be appealed by a complainant in cases of physical violence, sexual misconduct, or acts of harassment. An appeal must be directed to the Vice President for Student Affairs or his/her designee within five (5) working days of being notified of the decision. If the student is notified of the decision by letter, the student has five (5) working days from the posted dated stamped on the envelope to make an appeal. Such appeals shall be in writing and shall be delivered to the Vice President for Student Affairs and/or Chief Student Conduct Officer or his/her designee. The rendered sanction is in effect as of the date identified on the sanction letter, or until an appeal is granted. The Vice President for Student Affairs or his/her designee, may choose to suspend the outcome of a hearing while the appeal is being reviewed. Generally, a time set for an appeal response will be no more than 10 working days after the student has delivered the appeal. However, time limits for an appeal response may be extended at the discretion of the Vice President for Student Affairs, the Chief Student Conduct Officer, the Assistant Director of OSC, and the Director of University Housing.
1. Appeals of decisions and/or sanctions involving individuals or student organizations must be submitted to the Vice President for Student Affairs.
  2. A student may appeal the decision of the Vice President for Student Affairs to the President of the University or his/her designee if the sanction is one of suspension from the University for a period of one academic year, or if the sanction is of greater severity. For appeals regarding less severe sanctions, the final appeal shall be at the Vice President for Student Affairs level.
  3. A student may appeal the decision of the University President to the Board of Supervisors for the University of Louisiana System if the sanction is one of suspension from the University for a period of one academic year, or if the sanction is of greater severity. For appeals regarding less severe sanctions, the final appeal shall be at the University level. If the student chooses to appeal to the Board of Supervisors after all administrative procedures have been exhausted at the University level, the appeal must be submitted to the President of the University of Louisiana System which refers the appeal to the Board of Supervisors for the University of Louisiana System. The appeal must be made within 30 calendar days of the University's decision. The Board's review is limited to a determination of compliance with established and appropriate procedures at the University level.

The student shall be notified of the Board's decision.

- B. Except as required to explain the basis of new information, an appeal at the University level may be limited to a review of the written statement by the party requesting the appeal and/or written documents pertaining to the case. The scope of review shall be limited to consideration of the following questions:
1. Whether the discipline process was conducted fairly and in conformity with the properly prescribed procedures;
  2. Whether to consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board Hearing.
  3. Whether the sanction or remedy imposed was in due proportion to the gravity and nature of the conduct.
- C. If an appeal is upheld in cases involving appeals by students who have been found to have breached the Student Code of Conduct, the President and Vice President for Student Affairs or his/her designee may either:

  2. The Board of Supervisors conducts reviews of student appeals via materials provided by the student grievant and the university.
  3. Review by the Board of Supervisors consists of an exhaustive examination of procedures followed by the university in regard to due process and not the specific details of the grievance matter.
  4. The University of Louisiana System student grievance process does not provide the benefit of a hearing by the student directly to the Board of Supervisors.

This form may be obtained from the Office of Student Conduct or University Campus Police Department. Additionally, the parents, legal guardian, and/or significant other may be notified of the incident. Students are advised that endangering and/or disruptive behavior is a violation of the Student Code of Conduct and may result in disciplinary action by the University.

## **ANNUAL SECURITY AND FIRE SAFETY REPORT**

According to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), institutions which participate in Federal student financial aid programs are required to provide information to the public regarding campus safety and security policies and procedures. Statistics regarding crimes related to their campuses must also be reported. The definition set used for this format is according to the FBI Uniform Crime Reporting (UCR)/National Incident-Based Reporting System (NIBRS).

Southeastern Louisiana University is dedicated to providing a safe and secure environment for students, employees, and visitors to our Hammond Campus, Baton Rouge Nursing Center, Livingston Parish Literacy and Technology Center, and St. Tammany Center. Many individuals and departments are involved in campus safety and security. This information can help keep you and others safe at Southeastern.

At Southeastern Louisiana University, we endeavor to consistently provide accurate information to our community regarding the safety of our campus. In furtherance of these efforts, we make our policies, procedures, and statistics available electronically at <http://www.selu.edu/admin/police/cleryinfo/index.html>.

### **Procedures for Reporting Crimes and Other Emergencies**

Students, employees, and visitors are strongly encouraged to report any criminal activity, suspicious behavior, potential criminal action, or any other emergency by calling the University Police Department at 985-549-2222. This number provides direct, 24-hour-a-day contact with the police radio dispatcher and reports may be made on a voluntary, confidential basis. Non-emergency calls can be made to 985-549-3835 during regular business hours (7:30 a.m. through 5:00 p.m., Monday through Thursday, and 7:30 a.m. through 12:30 p.m. on Fridays, except holidays or University closures). In addition, there are over 70 emergency telephones located throughout the campus which provide direct access to the University Police Department with the touch of a single button. One may also make a report on a confidential or anonymous basis by accessing the University Police Department's web site at [http://www.southeastern.edu/admin/police/anonymous\\_reporting/index.html](http://www.southeastern.edu/admin/police/anonymous_reporting/index.html)

In event an individual prefers to report a criminal offense to someone other than the University Police Department, he/she has the option of reporting the situation to the Vice President for Student Affairs, Dyson Hall, telephone 985-549-5250. An employee also has the option of reporting an incident to his/her supervisor.

## **Emergency Response and Evacuation Procedures**

Southeastern Louisiana University will notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus. This notification will involve one or more of the following delivery methods:

- Text/Voice/E-mail alerts – Southeastern has installed a cell phone text messaging system which allows brief emergency messages to be communicated at the rate of 6,000 messages per minute. While all students and employees are automatically registered with the system through their e-mail accounts, cell phone text and voice messages can only be sent to those who sign up – or “opt-in” – for the service. To register for this service, visit the link at the bottom of any Southeastern web page or at [www.alertregistration.com/southeastern/](http://www.alertregistration.com/southeastern/).
- Telephone Alerts – In the event of an emergency, the university telephone system will also be used to send emergency voice messages to digital telephones located in each building. The emergency message activates a “telephone tree,” in which trained faculty and staff will share the information with others in their respective buildings.
- Web alerts – The university website, [www.southeastern.edu](http://www.southeastern.edu), allows for quick posting of emergency alerts and updates on the home page. This is the most reliable place to check to determine whether the campus is being closed for any emergency, including weather- related closures.
- Outdoor campus PA system – A public address system located in the middle of the campus can be used to broadcast sirens or voice alerts. The system is loud enough to be heard throughout campus by individuals outdoors. If you hear the siren or horn, this means there is an emergency or serious incident occurring on campus.

Southeastern will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate one or more of the listed notification systems, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

Once a significant emergency is confirmed, it becomes the responsibility of the Director, University Police to make contact with the Vice-President for Student Affairs, the Vice-President of Administration and Finance, and the President of the University. These parties together will decide who will be notified of the incident, determine the content

of the notification, and initiate any or all notification systems available. In addition to the above listed personnel, the Executive Assistant to the President and the Director of Public Information may also be involved with this process.

The Director of Public Information will disseminate relevant information to the larger community through the most appropriate and expedient method of communication, including, but not limited to, phone, e-mail, and fax.

Southeastern reviews its emergency notification systems, emergency response, and evacuation procedures at least once each year. These procedures are publicly available through the Office of Safety and Hazardous Materials Management (985-549-2157), located in Range Hall on Virginia Avenue.

During calendar year 2012, Southeastern conducted tests of emergency alert systems on seventeen (17) occasions:

## **The Annual Security Report**

On a yearly basis, the Director of University Police, or a designee, reviews each police report made to the University Police Department or reported to the University Police Department by any Campus Security Authority and records those meeting the definitions of crimes included in the Clery Act which occurred within the geographical areas required for reporting.

Crimes to be reported include (according to the definition set forth by the Federal Bureau of Investigation's Uniform Crime Report): Arson, Aggravated Assault, Burglary, Homicide (including non-negligent manslaughter), Negligent Manslaughter, Motor Vehicle Theft,

Robbery, and Sexual Assault (Forcible and Non-Forcible).

Additionally and separately, any of these offenses reported as hate crimes, and any larceny-thefts, simple assaults, intimidation, and destruction/damage/vandalism reported as hate crimes, are included.

Also, separately and in addition to the above listed crimes, the number of arrests and referrals to the Office of Student Conduct is recorded for violations of drug, liquor, and weapon laws.

Finally, separately from and in addition to the above listed crimes and referrals to be included, any reports of dating violence, domestic violence, or stalking are also included.

Crimes are reported as having occurred in one of four categories: (1) On-Campus, (2) Residential Life Facilities, (3) Public Area, and (4) Non-Campus Properties

- (1) On-Campus is defined as any building or property owned or controlled by the University which is within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution's educational purposes and property within the same reasonably contiguous geographic area of the institution but controlled by another person which is used by students and supports institutional purposes (such as food or other retail vendors).
- (2) Residential Life Facility is defined as any building that houses students such as residence halls and residential apartment complexes. All Residential Life Facilities at Southeastern Louisiana University are located on-campus, so any crime reported as occurring in a Residence Life Facility must also be recorded as having occurred on-campus. This category is used to distinguish between academic, administrative, and residential buildings.
- (3) Public Area is defined as any public property that is within the same reasonably contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and/or is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to, the institution's educational purposes.
- (4) Non-Campus Property is defined as any building or property owned or controlled by a student organization recognized by the institution and any building or property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is used by students and is not within the same reasonably contiguous geographic area of the institution.

## **Crime Log**

The Southeastern Louisiana University Police Department maintains a crime log on which is recorded each criminal offense, traffic violation, and non-criminal incident reported to the Department. Other information on the log is case number, date and time the report was made to the University Police Department, the date and time the incident occurred (if known), the general location where the incident occurred, and the

disposition of the report. Dispositions of incidents recorded in the Log will be one of the following:

Open – This disposition designates a case that is under investigation or has otherwise not been closed or referred to another agency or Department.

Pending – This disposition designates a case that is pending court action or has been referred to another agency or court.

Closed – This disposition designates a case that is no longer under active investigation, has been adjudicated in court, has been referred to another agency, or has reached a point where there is no further action to be taken by the Department, including cases where no further leads are available or the victim refused to cooperate.

Disciplinary Referral – This disposition designates a case that has been referred to another University Department for action under their own policies and procedures and the University Police Department is no longer the primary acting agency on the case.

Unfounded – This disposition designates a case wherein credible evidence has been discovered which demonstrates the report to be false or baseless. This designation requires positive demonstration of the falseness or lack of base for the report and is not to be utilized in cases where there simply is no evidence to support the crime.

The log is updated at least every two business days and is available for public viewing during regular business hours (7:30 a.m. through 5:00 p.m., Monday through Thursday, and 7:30 a.m. through 12:30 p.m. on Fridays, except holidays or University closures).

### **Timely Notice**

The University will publish, in a timely manner without undue delay, a notice to alert the University community of crimes or other emergencies which:

- a) Occur on or near the campus;
- b) Are included in the list of crimes covered by the Clery Act;
- c) Are reported to the University as identified under the University statement of current campus policies; and
- d) Are considered to represent an ongoing threat to the safety of students and employees.

## **Security of and Access to Campus Facilities, including Campus Residences**

Southeastern Louisiana University is a public institution. As such, we have an open campus with numerous city streets and a state highway offering access onto the campus. Most University facilities are open to the public during the day and evening hours when classes are in session. University Police Officers or designated student security employees conduct building checks as soon as possible after scheduled activities have been concluded for the day. Only faculty, staff, and graduate assistants with verifiable identification or persons with keys issued by the University are allowed to enter locked buildings when the University is closed.

Southeastern has ten (10) residence halls, an apartment complex consisting of seven (7) buildings ("Southeastern Oaks"), and a thirteen (13) building residential complex ("The Village"). Each residential area is administered under Southeastern Louisiana University's Office of Student Housing and is staffed with several Resident Assistants. Employees of the Office of Student Housing and University Police officers are actively involved in keeping the Residence Life areas safe by patrolling these areas 24 hours a day.

Each bedroom, as well as each living room, in each apartment at Southeastern Oaks and The Village has an alarm system with push-button access. In each residence hall except Cardinal Newman Hall and Zachary Taylor Hall, there is an emergency telephone mounted on the wall next to the elevator door on each floor.

Residents are encouraged to take an active role in campus safety by reporting all unusual occurrences and/or suspicious persons to the appropriate authorities and not leaving doors propped open or unlocked. Visitors and guests must be accompanied by a resident at all times and residents are held accountable for their guests' actions and conduct.

### **Maintenance of Campus Facilities**

Southeastern Louisiana University's Physical Plant Services helps keep University buildings and grounds safe and secure. The Director of Physical Plant Services or a designated representative inspects campus facilities regularly, promptly notifies the appropriate authority for repairs affecting safety and security, and responds to reports of potential safety and security hazards such as broken windows and locks. The University Police Department assists Physical Plant personnel by reporting potential safety and security hazards discovered during patrols or building security checks. Students, employees, and visitors may also report any safety or security hazards by calling 985-549-3333, 24 hours a day.

## **Enforcement Authority of Security Personnel**

Southeastern Louisiana University Police Officers are commissioned by the Louisiana Department of Public Safety and Corrections and are empowered by Louisiana Revised Statute 17:1805. As such, University Police Officers have the right to carry a concealed weapon and to exercise the power of arrest when discharging their duties while in or out of uniform and to discharge their duties off campus if engaging in intelligence gathering activity, investigating a crime committed on campus, or if specifically requested by the chief law enforcement officer of the city or parish.

Each University Police Officer must successfully complete the Louisiana Commission on Law Enforcement's Peace Officer Standards and Training (POST) Academy, an intensive course taught through an accredited basic training academy. To maintain this certification, each officer must also successfully complete no fewer than sixteen (16) hours of continuing education each year covering several mandated topics, including firearms qualification. At Southeastern, we require our officers complete an additional twenty-four (24) hours (total of 40 hours) of continuing education each year on various law enforcement topics, including, but not limited to, stalking, domestic violence, report writing, protective orders, arrest and search warrants, and rapid response to critical incidents.

University Police Officers are responsible for the full range of law enforcement services. These include, but are not limited to, responding to and investigation of incidents and offenses, medical emergencies, fires, bomb threats, auto accidents, violations of state liquor, controlled substances, and weapons laws and other on-campus emergencies.

*Safety escorts are available by calling 985-549-2222.*

## **Working Relationship with State and Local Police Agencies**

Southeastern Louisiana University's Police Department enjoys positive working relationships with the Baton Rouge Police Department, Hammond City Police Department, Livingston Parish Sheriff's Office, Louisiana State Police, St. Tammany Parish Sheriff's Office, Tangipahoa Parish Sheriff's Office, 21st Judicial District Attorney's Office, and Walker City Police Department. The University Police Department maintains liaison with these law enforcement agencies to ensure the monitoring and recording of criminal activity which may involve students at off-campus locations. Each year, the Director of University Police or a designee forwards letters to the Chief, Sheriff, or other Director of these agencies asking for statistic information regarding crimes or emergencies reported to them that occurred within the geographical area mandated to be reported.

The University Police Department has written Memoranda of Understanding with the

Tangipahoa Parish Sheriff's Office and the Hammond City Police Department wherein all three agencies provide mutual aid for emergencies, investigations, and responding to special occurrences on or off-campus.

Whenever an incident occurs that exceeds the capabilities of the University Police Department, personnel and other resources are provided by the above listed law enforcement agencies. By agreement with the Hammond City Police Department, the University Police Department responds to incidents at locations owned and/or operated by student organizations that are recognized and supported by Southeastern Louisiana University.

### **Pastoral and Professional Counselors**

Each year, the Director of University Police or a designee forwards letters to the Director of the University Counseling Center, and to the Directors of Faith-Based Organizations near main campus informing them that anyone they may be counseling as a result of a crime may on a voluntary, confidential basis report the crime to the University Police Department and how they may do so.

### **University Police Department Educational Programming**

The Southeastern Louisiana University Police Department offers seminars and workshops for all students, faculty, and staff throughout the academic year.

Awareness and prevention programs offered by the University Police Department include, but are not limited to, the following topics: Sexual Assault, Stalking, Relationship Violence, Personal Safety/Self-Defense, Drugs/Alcohol, and General Crime Prevention.

The University Police Department also offers crime awareness, safety, and security presentations for parent, in-coming freshman, international, transfer student, residence hall, and new employee orientation programs. These presentations center on crime awareness and prevention, campus security policies and procedures, and how to contact the University Police Department for any assistance needed. More information about our community programs is available at the following URL:

<http://www.southeastern.edu/admin/police/commed/index.html>

Information concerning crime prevention and awareness is also made available through crime alert and community awareness bulletins; the University Office of Public Information; the University radio station, KSLU; the By-Lion Faculty/Staff e-mail alerts; Facebook; and The Lion's Roar campus newspaper.

## **Monitoring and Recording Student Off-Campus Criminal Activity**

Upon notification by a local police department of a crime or crimes involving students at off-campus locations owned and/or operated by student organizations officially recognized by the University, the Director of University Police or a designee contacts the local agency and establishes protocol for exchange of information. The University Police Department establishes case numbers for incidents in question and the University Police Department Investigator maintains liaison with the local agency. The crime or crimes will be reflected in Southeastern Louisiana University's annual disclosure of crime statistics if the incident fits the requirements for reporting under the Clery Act.

## **Southeastern Louisiana University Drug and Alcohol Policy**

Southeastern Louisiana University strives to provide a safe, productive, healthy and supportive environment for students, faculty, staff, and guests. Recognizing that the abuse of alcohol and other drug use is a major societal concern and health problem, Southeastern sets forth policies to guide community members in making knowledgeable choices which foster ethical, healthy, and responsible lifetime behaviors.

Southeastern Louisiana University maintains policies regarding the possession, use, consumption, and sale of alcoholic beverages on campus. These policies include enforcement of State alcohol control laws, including underage drinking and open containers, by the University Police Department and outline sanctions which may be levied through the University's Office of Student Conduct for violations of these policies.

Southeastern Louisiana University maintains policies regarding the possession, use, consumption, and sale of controlled dangerous substances (drugs) on campus. These policies include enforcement of State and Federal controlled dangerous substance laws by the University Police Department and outline sanctions which may be levied through the University's Office of Student Conduct for violations of these policies.

The entire policy is available at the following URL:

[http://www.southeastern.edu/admin/stu\\_affairs/handbook/](http://www.southeastern.edu/admin/stu_affairs/handbook/)

## **Drug and Alcohol Abuse Education Programs**

Southeastern Louisiana University maintains policies regarding the availability of prevention, intervention, education, mental health counseling, and rehabilitation programs for students and employees. It is the policy of the University Counseling Center to treat chemical dependency from a "disease concept" approach with abstinence of major mood altering chemicals (alcohol and other drugs) as the basic premise of this approach. The Center recognizes that recovery from chemical dependency is a

lifelong process and that involvement in ongoing support programs such as Alcoholics Anonymous is an essential element in maintaining recovery. When appropriate and feasible, clients may be referred to chemical dependency treatment centers off-campus.

The following services can be provided through the University Counseling Center:

1. Education and Intervention Training
2. Evaluation and Assessment
3. Individual Therapy
4. Referral to appropriate treatment milieu

**Domestic violence, dating violence, stalking, and sexual assault are prohibited at Southeastern Louisiana University, including all non-campus properties and satellite campuses.**

**Domestic violence (called "Family violence" under Louisiana's "Protection from Family Violence Act") is defined as:** "any assault, battery, or other physical abuse which occurs between family or household members, who reside together or who formerly resided together."

**Dating violence (under Louisiana's "Protection from Dating Violence Act") is defined as:** "physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one dating partner against the other."

**Stalking is defined as:** "the intentional and repeated following or harassing of another person that would cause a reasonable person to feel alarmed or to suffer emotional distress. Stalking shall include but not be limited to the intentional and repeated uninvited presence of the perpetrator at another person's home, workplace, school, or any place which would cause a reasonable person to be alarmed, or to suffer emotional distress as a result of verbal or behaviorally implied threats of death, bodily injury, sexual assault, kidnapping, or any other statutory criminal act to himself or any member of his family or any person with whom he is acquainted."

**Sexual Assault includes the following:**

**Rape, defined as:** "the act of anal, oral, or vaginal sexual intercourse with a male or female person committed without the person's lawful consent."

**Sexual battery, defined as:** "the intentional touching of the anus or genitals of the victim by the offender using any instrumentality or any part of the body of the offender, or the touching of the anus or genitals of the offender by the victim using any instrumentality or any part of the body of the victim, when any of the following occur:

- (1) The offender acts without the consent of the victim.
- (2) The act is consensual but the other person, who is not the spouse of the offender, has not yet attained fifteen years of age and is at least three years younger than the offender.
- (3) The offender is seventeen years of age or older and any of the following exist:
  - (a) The act is without consent of the victim, and the victim is prevented from resisting the act because either of the following conditions exist:
    - (i) The victim has paraplegia, quadriplegia, or is otherwise physically incapable of preventing the act due to a physical disability.
    - (ii) The victim is incapable, through unsoundness of mind, of understanding

the nature of the act, and the offender knew or should have known of the victim's incapacity.

- (b) The act is without consent of the victim, and the victim is sixty-five years of age or older.

**A sexual assault is determined to be without lawful consent if it is committed under any one or more of the following circumstances:**

- (1) Any involved party has not consented to the act (Resistance is not necessary to prove lack of consent;)
- (2) Any involved party is incapable of resisting or of understanding the nature of the act by reason of a stupor or abnormal condition of mind produced by an intoxicating agent or any cause;
- (3) Any involved party, through unsoundness of mind, is temporarily or permanently incapable of understanding the nature of the act;
- (4) A female victim submits under the belief that the person committing the act is her husband and such belief is intentionally induced by any artifice, pretense, or concealment practiced by the offender;
- (5) Any involved party is prevented from resisting the act by force or threats of physical violence under circumstances where the party reasonably believes that such resistance would not prevent the assault, such as the presence of a weapon;
- (6) Any involved party resists the act to the utmost, but whose resistance is overcome by force;
- (7) Any involved party has not yet attained fifteen years of age and is at least three years younger than any other involved party (except for parties legally married to each other.)

Anyone witnessing an act of domestic violence, dating violence, sexual assault, or stalking should take safe, positive action to prevent harm or otherwise intervene. Examples of safe, positive action include, but are not limited to contacting the police (such reports may be made confidentially) and assisting the victim to a safe location away from the harmful person or event. Because situations vary from one incident to the next, no comprehensive list of actions can be provided, but bystanders are encouraged to act in a manner which is not likely to escalate a situation or bring harm upon the bystander.

Signs of abusive and unhealthy situations include, but are not limited to, aggressive

shouting, physical strikes, repeated or continuous unwanted following and calling, threatening gestures, spreading rumors, verbal threats, pushing or shoving, financial and emotional controls, and belittling a person's actions or appearance.

### **Education Programs to Promote Awareness of Sexual Assault and Other Violent Offenses**

Programs promoting awareness about domestic violence, dating violence, stalking, stranger and non-stranger sexual assault, stalking, and other violent offenses are offered by the University Police Department. Programs are offered at the request of students, faculty, staff, student organizations, athletic teams, and other organizations or individuals officially sanctioned by the University. These programs are also offered by request at the Baton Rouge Nursing Center, St. Tammany Center, and Livingston Parish Literacy and Technology Center.

Programs include awareness of risks and myths regarding sexual assault, risk-reduction strategies for individuals, information regarding local resources and responses to reports, and self-defense programs.

### **If You or Someone You Know is Sexually Assaulted**

As soon as possible following an incident, the victim is encouraged to call the University Police Department at 985-549-2222. Anyone reporting a crime of this sort is welcome to request a specific gender or otherwise specify an individual officer to take the report.

It is important that the victim not shower, bathe or change clothes. If this occurs, important physical evidence may be lost. If the victim must change clothes, the soiled clothing should be placed in a paper bag, NOT a plastic bag. The victim also should not brush teeth or use the rest room. Even if the victim is unsure of whether or not they will pursue the prosecution of the offender, a voluntary medical exam may be conducted. The hospital where the exam is performed may keep the results for up to 30 days and may also check for injuries, disease, and/or pregnancy.

Reporting to the University Police helps:

- 1 - Protect the victim and others from future victimization;
- 2 - Apprehend the assailant; and/or
- 3 - Maintain future options regarding criminal prosecution, University disciplinary action and/or civil action against the perpetrator.

When the victim reports an incident, a University Police officer will take a statement. The victim will be asked:

- A - To identify or describe the assailant(s);
- B - About the scene of the crime;
- C - To identify witnesses; and
- D - About what happened before and after the incident.

Reporting an incident and choosing to prosecute are separate steps. When the victim files a police report, they are not obligated to continue with legal proceedings or University disciplinary action. The University Police will also assist any victim in reporting any sexual assault to any external law enforcement agency.

### **On-and-Off Campus Sexual Assault Victim Services**

The University Counseling Center (985-549-3894) is staffed by licensed and professional mental health counselors. The center is well adapted to working with victims of sexual assault.

In addition to the Crisis Intervention Service that the Center's staff provides on a daily basis, the following services are also provided:

- Individual psycho-therapy
- Group therapy for survivors of incest
- Family counseling for assault victims
- Referral Services to other area professional and health services providers

Counseling services provided at the Center remain confidential.

The Office of the District Attorney, 21st Judicial District maintains a Victim's Assistance Program. Any victim of sexual assault is encouraged to call the toll-free 24-hour Rape Crisis Hotline at 1-877-748-6882. This is an anonymous call.

Rape, Abuse, and Incest National Network (RAINN) maintains a national hotline for Rape Crisis at 1-800-656-HOPE (4673). Any victim of sexual assault may also call this toll-free, 24-hour hotline. This is a confidential service.

### **Changing Academic Classes, Living, Transportation, and Work Situations**

Victims of domestic violence, dating violence, sexual assault, and/or stalking are entitled to changes in academic, living, transportation, and work situations on an interim and/or permanent basis if these changes are requested and reasonably available. To request such changes, the victim must contact the Vice President for Student Affairs, Dyson

Hall, at 985-549-5250. The victim will be referred to the appropriate individuals to discuss such changes in a confidential manner.

### **Disciplinary Procedures for Alleged Offenses of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

Any member of the University community may file a complaint under the Southeastern Louisiana University Student Code of Conduct against any student for domestic violence, dating violence, sexual assault, stalking, or other misconduct. Making accurate, prompt reports of any and all crimes to the University Police Department (985-549-2222) is encouraged and will not be prevented by Southeastern Louisiana University. Complaints may also be directed to the Office of Student Conduct (985-549-2213.) Detailed filing and hearing procedures and regulations are listed in the Student Handbook. Filing a report with either the University Police Department or the Office of Student Conduct in no way prevents reporting of the same incident to the other and reporting an incident to the University Police Department does not obligate the reporter to file criminal charges.

The complainant and the accused have the same rights to be assisted by any advisor they choose, at their own expense, to have that advisor present during the hearing, and to call witnesses on their own behalf. Advisors may assist in preparation for the hearing and may have any other persons present that they wish; however, he/she is not permitted to speak for parties or otherwise participate directly in the hearing.

The Office of Student Conduct must use a “preponderance of the evidence” standard for determining the outcome cases of alleged domestic violence, dating violence, sexual assault, sexual discrimination, or stalking. Any member of a hearing body or anyone tasked with conducting investigations into allegations of domestic violence, dating violence, sexual assault, or stalking is required to receive annual training on these issues.

Following the final decision of the hearing body, the complainant and/or victim and the accused will both be informed unconditionally, simultaneously, in writing about:

- The determination of the hearing body; Any recommended sanctions;

- Any procedures for appealing the results;

- Any change to the results occurring prior to the time of the results becoming final; and

- When the results become final

### **Missing Student Notification**

It is the policy of Southeastern Louisiana University to ensure that every reasonable effort is made to assist in the location of missing persons.

Students, faculty, staff members, family members of students, and others are strongly encouraged to report any student who is missing by calling the University Police Department at 985-549-2222. All official missing student reports made to any other person or agency on campus should be referred to the University Police Department immediately.

Each student living in an on-campus student housing facility has the option to register a confidential contact person to be notified in the case that the student is determined to be missing. Only authorized campus officials and law enforcement officers in furtherance of a missing person investigation may have access to this information.

Even if the student has not registered a contact person, local law enforcement agencies will also be notified that the student is missing. The parent or guardian of any student who is less than 18 years of age and not emancipated and is reported missing will be notified.

The initial responding police officer will attempt to gather identifying and other

information intended to aid in locating the missing person and relay this information to others on duty so a search may begin as soon as reasonably possible.

If the person is not located on campus or if relevant information makes it unlikely the person is on campus, surrounding law enforcement agencies will also be contacted to assist in the search. If the situation meets the criteria set forth by the National Crime Information Center (NCIC), the person's name and identifying information will be entered into the NCIC computer system.

A search for a missing person will continue until the person is located or the search is ended by order of the Director, University Police.

### **Database of Registered Sex Offenders in Louisiana**

Individual Sheriff's Departments are responsible for maintaining databases of registered sex offenders in Louisiana. The Louisiana State Police maintains a web page with links to the various Sheriff's Department registries at this URL:

<http://lsp.org/socpr/default.html>

### **FIRE SAFETY REPORT**

For the purposes of fire safety reporting, a fire is "any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner."

Any person becoming aware of a fire on campus should immediately contact the University Police Department at 985-549-2222 and sound the relevant alarm. The University Police Department has contact with the Hammond Fire Department and other emergency services that may be necessary.

Each on-campus student housing facility is equipped with heat-activated sprinklers and an automated alarm system with lighted strobes and an audible siren. The fire alarms are monitored on a 24 hour basis by University Police and Physical Plant personnel. Every room also has an individual smoke detector in addition to the listed alarm sensors for the building.

The Office of Student Housing conducts at least two fire drills in each residence hall every semester: one announced and one unannounced.

Residents of on-campus housing facilities are not authorized to use any electrical heating appliance (space heaters, as well as kerosene, and propane heaters), cooking (no electrical appliances with exposed element or open flame – toaster, hot plate, etc), or other equipment/appliance (halogen/torch-style lamps), except as furnished or approved by the University.

Smoking and the use of tobacco products is prohibited on campus.

Candles may not be burned in on-campus housing facilities. The use of incense (a substance that when burned produces an aromatic odor) is also prohibited.

Evacuation plans are posted in each residence hall and evacuation routes are posted on every floor. When an alarm sounds or when an order to evacuate is given through other means, all persons in the building are expected to evacuate immediately. Housing Staff members and University Police Officers will check each building to ensure all persons have exited.

Annually, the Office of Safety and Hazardous Materials mails a document to all University employees with information about fire drills and how to evacuate buildings safely.

### **Fire Log**

The Southeastern Louisiana University Police Department maintains a fire log (as part of its Daily Crime Log) on which is recorded each instance of fire on campus including:

- The nature of the fire;
- The date the fire occurred;
- The time of day the fire occurred;
- The general location of the fire.

The log is updated within two business days of any reported fire occurrence and is available for public viewing during regular business hours at the University Police Department.

# Alcohol Consumption Regulations (On and Off Campus)

## I. STUDENT ORGANIZATION ALCOHOL EVENTS & FACILITIES

### A. Overview

Alcoholic beverages may be served at registered social events sponsored by recognized campus organizations and at events sponsored by the University or a department of the University in accordance with applicable laws and the University policies on alcohol use. Southeastern Louisiana University fosters an environment free from the illicit and irresponsible use of alcohol by members of the Southeastern community. This policy has been established in an effort to maintain a balance between the interests of the individual and the University. The University realizes that it has limited resources, which makes it impossible to monitor all off-campus events where alcohol may be present; however, we are required by federal mandate to ensure that students, employees, and guests are aware of local and state laws regarding alcohol and to require adherence to these laws and the practice of responsible drinking behavior.

All members of the Southeastern community are ultimately responsible for their choices and behavior regarding alcohol. Individuals and organizations should be aware that they may be held individually and/or collectively liable for incidents resulting from the illegal or uncontrolled use of alcohol. It is the purpose of this policy, however, to help ensure that federal, state and local laws and recognized strategies designed to promote the responsible and safe use of alcohol are followed. Inappropriate behaviors and associated negative consequences of alcohol abuse or misuse will not be tolerated. All persons, regardless of their status (students, employees, and guests) must adhere to the alcohol policies herein while at Southeastern Louisiana University.

### B. Facilities: Sale, Possession, and Consumption

The purpose of this section is to designate those areas on campus where legal consumption of alcohol will be allowed, and to designate under what conditions group events may involve alcohol. This policy will apply to the sale, possession, or consumption of alcohol in or at any University sponsored or registered event. State law prohibits the purchase, public possession or consumption of any alcoholic beverage by persons under the age of 21. For the purposes of this policy, all areas of the University are considered "public" places. The possession, consumption, sale or furnishing of alcoholic beverages is prohibited except in those areas where such activities are specifically allowed.

Properly registered individuals, student organizations, and University departments may possess and consume alcoholic beverages in accordance with federal, state, and local law, and University regulations, in the following areas:

1. Dining Facility Complex
2. Student Union Building
3. University Center
4. Southeastern Oaks (Subject to terms of lease, only those 21 years of age or older)
5. Columbia Theater
6. Alumni Center
7. Alumni Field
8. Strawberry Stadium
9. Other areas as specifically approved by the Vice President for Student Affairs or his/her designee.

### **C. Student Organization Alcohol Event**

Many questions arise in conjunction with what is considered an alcohol event. While the following list is not exhaustive, it does serve as a starting point. An activity may be classified as an organization's alcohol event if it meets any of the following:

Alcohol is present and . . .

1. The event lasts longer than 60 minutes.
2. The event has 10 or more non-members present.
3. The event has more than one organization in attendance.
4. The event has more than ½ of organizations members present.
5. The event has amplified sound (live music, DJ, loud stereo).

An activity may also be considered an event based on the answers to these questions:

1. Would an observer associate it with the organization?
2. Did the incident involve expenditure of organization funds?

3. What was the purpose of the event?
4. Who purchased the alcohol?
5. How did the attendees learn about the party?
6. What is the perception of the event?
7. Who is assuming responsibility for the party?
8. Was the event actively or passively endorsed by other members of the organization?
9. Was the event publicized either in written form or by word of mouth as an organizational event?
10. Did the event take place on the organization's property, or occur on/in a location which had been contracted by or for the organization, or in a private residence for the purpose of holding an organization sponsored event?
11. Was the organization's advisor, or any of the executive officers of the organization, aware of the event before it took place?
12. Were police called to quiet or shut down the event?

## **II. POLICES & PROCEDURES FOR STUDENT ORGANIZATION ALCOHOL EVENTS**

The regulations contained in this policy are designed to meet the needs of the university and a wide range of student organizations. ## Guidelines for Campus Alcohol Advertising

Alcohol abuse poses a serious threat to the health and welfare of the college student population through acts of violence, vandalism, property damage, accidents, lessening of academic performance, estrangement of social relations, creation of mental and physical problems and in some cases bodily injury, illness and death. Inappropriate and irresponsible marketing and promotion of alcoholic beverages on campus can contribute to the problems of alcohol abuse.

The purpose of this policy is to assist in the protection of the health and welfare of our students. As such, Southeastern Louisiana University, in agreement with the National Association of Student Personnel Administrators (NASPA), the American College Personnel Association (ACPA), the Association of College and University Housing Officers International (ACUHO-I), BACCHUS, and the Brewing Industry has implemented the following guidelines in relation to the advertising of alcohol on our campus. These guidelines apply to all alcohol advertising and marketing materials including print, television, radio, Internet and cyberspace media.

- All signage must adhere to the Southeastern Sign Policy. ([www.selu.edu/admin/stu\\_dev/services/index.html](http://www.selu.edu/admin/stu_dev/services/index.html))
- Alcoholic beverage marketing programs on campus must conform to the code of student conduct and should avoid demeaning sexual or discriminatory portrayal of individuals.

- Advertising of this type should not portray or imply illegal activity of any kind.
- Advertising and marketing materials should not portray sexual passion, promiscuity or any other amorous activity as a result of consuming alcohol.
- Advertising and marketing materials should not employ any symbol, language, music, gesture, or cartoon character that is intended to appeal primarily to persons below the legal purchase age. This includes the use of Santa Claus in any promotion.
- Alcohol advertising and marketing materials should not employ religion or religious themes.

- Promotion of alcoholic beverages must not encourage any form of alcohol abuse nor should it place emphasis on quantity and frequency of use or its intoxicating effect. This includes the listing of free drinks.
- Advertising should not portray drinking as a solution to personal or academic problems of an individual or as necessary to social, financial, sexual or academic success. It should also not associate or portray drinking before or during activities that require a high degree of alertness or coordination.
- Alcohol advertising shall not directly or indirectly degrade studying.
- Advertising and marketing materials may not contain any lewd or indecent language or images, including depicting the act of drinking.
- Advertising cannot disparage competitive brands or venues.

- No uncontrolled sampling as part of a campus-marketing program is permitted. No sampling will include any drinking contests. If sampling is allowed, it will be limited as to time and quantity and principles of good hosting should be observed including alternate beverages, food and planned programs. The consumption of the alcohol cannot be sole purpose of the activity.
- Display and availability of promotional materials must be cleared with the Assistant Vice President for Student Affairs prior to the event.
- Informational marketing programs should have educational value and subscribe to the philosophy of responsible and legal use of the products represented.
- Promotional activities must not be associated with otherwise existing campus events or programs without the prior knowledge and consent of appropriate university officials.
- Alcohol should not advertise or market at any event where most of the audience is reasonably expected to be below the legal purchase age. This includes the marketing of clothing, toys, games and/or game equipment, or other materials used primarily by persons below the legal purchase age.

in maintaining recovery. When appropriate and feasible, clients may be referred to chemical dependency treatment centers.

The following services can be provided through the University Counseling Center: education and intervention training; evaluation and assessment; individual therapy; referral to appropriate treatment milieu including individual and/or group counseling at the University Counseling Center, 12-Step Meetings such as Alcoholics Anonymous or Narcotic Anonymous, inpatient and outpatient chemical dependency treatment referral information available, tracking of individual's progress if treated other than at the University Counseling Center; follow-ups such as aftercare counseling (individual and group), family counseling for co-dependents (individual and group); referral to adjunct services such as ALANON, Co-dependency Support Groups, Adult Children of Alcoholics, Spouse Abuse or other support groups and/or treatment programs for Adult Children of Alcoholics and for Codependents; consultation services - The University Counseling Center maintains contact with a number of treatment centers.

In all cases individuals will be afforded their rights of due process as defined by statute and/or court decisions.

### Employees

In accordance with the State of Louisiana Substance Abuse and Drug-free Workplace Policy, Southeastern Louisiana University will strive to maintain a drug-free workplace and a work force free from other substance abuse. Employees are required by federal law to notify the employing state agency head or designee within five working days of conviction under any criminal drug statute where such conviction occurred in the workplace, while on official business, during work hours, when on call for duty, or any activities or class. Southeastern Louisiana University personnel are to notify the Human Resource Office. #### Guests

Guests may be barred from campus and turned over to the District Attorney for further actions.

### **VI. Health Risks Associated with Alcohol and Substance Abuse**

Alcohol and substance abuse lead to health problems, decreased productivity and crime. Alcohol and substance abuse are especially destructive to education and learning, inhibiting educational, social and interpersonal development. Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increases the incidence of a variety of aggressive acts, including, spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversibly physical abnormalities and mental retardation. In addition, research indicated that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics. Use and/or abuse of controlled substances have the potential to cause psychological and/or physical dependence. The health risks associated with substances covered by the "Controlled Substances Act are described in the Table's Controlled Substances-Uses and Effects."

# SEXUAL HARASSMENT POLICY

It is the policy of Southeastern Louisiana University that all employees and students or users of University facilities be able to enjoy a campus environment free of all forms of discrimination, including sexual harassment. No employee or student, male or female, should be subjected to unsolicited and unwelcomed sexual overtures or conduct, either verbal or physical.

## **DEFINITION:**

Sexual harassment is a form of misconduct, defined in Federal law, that undermines the integrity of personal, professional, employment, and student relationships. Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior that is not welcome, is personally offensive, and weakens morale. Such behavior may interfere with employees' and students' performance, and may create an intimidating, hostile, or uncivil working or learning environment. Such conduct is specifically prohibited at this university.

Sexual harassment includes, but is not limited to, unsolicited, deliberate or repeated:

- sexual flirtations, advances, or propositions;
- verbal abuse of a sexual nature;
- display of sexually suggestive objects or pictures; and
- offensive or abusive physical contact of a sexual nature.

No one should imply or threaten that an applicant's or employee's "cooperation" of a sexual nature (or refusal thereof) will affect that individual's assignment, compensation, advancement, career development or any other condition of employment. Likewise, it will not affect a student's grade, class standing, advancement or student-administrator/student-teacher relationships.

The difference between voluntary sexual relationships and sexual harassment is that harassment contains elements of coercion, threat and/or unwanted attention in a non-reciprocal relationship. Sexual harassment usually is unwelcome and repeated behavior, but in some instances it can be an action that only occurs once. In most normal interpersonal relationships an individual can exercise freedom of choice in deciding with whom they wish to establish a close, intimate relationship. These choices are based on mutual attraction, caring and a reciprocal interest in pursuing the relationship. These elements are absent in sexual harassment. This policy in no way is intended to impede artistic representation of human behavior in exhibits

or other normal academic activity. All students, faculty, staff, and administrators will be held accountable for compliance with this policy. While each case of sexual harassment and its resulting effect upon the mission of the University must be considered on its own, violations of this policy may lead to disciplinary action to include suspension or removal.

### **COMPLAINT PROCEDURE:**

Any University employee, student, or other member of the University community who believes he or she has been a victim of sexual harassment while working at the University or in class or in any other setting (whether by subordinates, peers, superiors, or other persons), should bring this matter to the immediate attention of any of the following: his or her supervisor, Human Resource Director, (2056), Equal Employment Opportunity Compliance Officer, (5888), Director of Student Health Center, (2241), "Department Head," call information (2000) for specific phone numbers. Any official receiving a complaint should notify the EEO Coordinator to make certain that follow-up action is coordinated. The EEO Coordinator will serve as a clearinghouse for all related actions. If satisfaction is not adequate at initial levels, any affected individual should feel free to bring the matter to the attention of the Vice Presidents, the Provost, or the President. Confidential assistance is also available through the University Counseling Center.

Action will be taken to examine impartially and resolve promptly any complaint. Complaints that cannot be resolved by informal means, through help of officials and services listed above, may be resolved through the University's formal student, staff or faculty grievance procedures ("Handbook for Classified Employees", or "Faculty Handbook" for details on how to initiate grievance procedures). Upon request to any of the above officials a special committee or procedure may be established by the President to consider a complaint and possible resolution. Any such committee will consist of no less than three members and no more than five, and may include faculty members, administrators, staff members and students in a mix suitable to deal with the complaint.

Confidentiality of all parties will be respected to the greatest extent possible and employees, students and others will not be subjected to retaliation of any kind for reporting incidents of sexual harassment.

### **PENALTY:**

All students, faculty, staff and administrators will be held accountable for compliance with this policy. While each case of sexual harassment and its resulting effect on the mission of the University must be considered on its own, violations of this policy may lead to disciplinary action to include suspension or removal.

# RACIAL HARASSMENT POLICY

Southeastern Louisiana University has a tradition of providing a caring and nurturing environment in which students and employees can pursue excellence. Politeness and friendliness are virtues, which members of the University community seek to demonstrate in their day-to-day interactions. Rude and/or hostile behavior, on the other hand, not only violates the University's tradition of friendliness, but also undermines rational discourse and interferes with the educational process. Therefore, it is the policy of Southeastern Louisiana University that all employees, students and authorized users of University facilities be able to enjoy a campus environment free from all forms of discrimination, including racial or ethnic harassment.

## **DEFINITION:**

For the purposes of University policy, the term "racial harassment" refers to any behavior, verbal or physical, that stigmatizes or victimizes individuals on the basis of race, ethnic origin and that:

1. Involves a stated or implicit threat to the victim's academic or employment status and/or
2. Has the purpose or result of interfering with an individual's academic or work performance and/or
3. Creates an intimidating or offensive academic, work or campus environment.

The University regards such behavior as a violation of the standards of conduct required of all persons associated with the institution. The prohibition against racial harassment applies to all interactions including, but not limited to those occurring on campus, in University facilities, in conjunction with University-related activities or within the context of recognized student organizations.

## **COMPLAINT PROCEDURE:**

Any University employee, student or other member of the University community who believes he or she has been a victim of racial harassment while working at the University or in class or any other setting (whether by subordinates, peers, superiors, or other persons) should bring this matter to the immediate attention of any of the following: his or her supervisor, Human Resource Director, Equal Employment Opportunity Coordinator, department head, academic dean.

Any official receiving a complaint should notify the EEO Officer to make certain that follow-up action is coordinated. The EEO Officer will serve as a clearinghouse for all

related actions.

If satisfaction is not adequate at initial levels, any affected individual should feel free to bring the matter to the attention of the Vice Presidents, the Provost, or the President. Confidential assistance also is available through the University Counseling Center.

Action will be taken to examine impartially and resolve promptly any complaint. Confidentiality of all parties will be respected to the greatest extent possible, and employees, students and others will not be subjected to retaliation of any kind for reporting incidents of racial harassment.

# GENDER DISCRIMINATION POLICY

## Grievance Procedures:

In compliance with Title IX, the University has developed the following grievance procedure for students in cases of gender discrimination.

If a student believes that he/she has been discriminated against on the basis of gender, the student has the right to use this Grievance Procedure without fear of reprisal because of his/her action. It is incumbent upon each budget unit head to provide students with an opportunity to be heard in accordance with the following procedure:

**STEP ONE:** The student may present the grievance to the department or budget unit head of the area in which the complaint originates within five days after the incident caused him/her to be aggrieved.

The department or budget unit head will give the student an answer within three working days thereafter.

The student will not disrupt his/her class schedule or that of the department to present a grievance. They shall arrange a meeting at a time which is mutually convenient.

**STEP TWO:** If the student is not satisfied with the decision of the department head, he/she may, within five days of receipt of such a decision, submit the grievance in writing to the dean of the academic college to which the department is assigned.

The academic dean will discuss the grievance with the students within five working days and will render a decision in writing within five working days thereafter.

**STEP THREE:** If the student is not satisfied with the decision of the academic dean, he/she may, within five days of such written decision, submit the grievance in writing to the Provost. The Provost shall conduct a hearing within five working days and will render a decision in writing within five working days of the hearing.

**STEP FOUR:** If the student is not satisfied with the decision of the Provost, he/she may, within ten working days, submit his/her grievance in writing to the President of the University for a final decision. The President will meet with the student within ten working days of the receipt of the student's grievance and will render a decision within five working days thereafter.

Southeastern Louisiana University complies with the provisions of Title VI and of the Civil Rights Act of 1964, as amended, and Title IX of the Education Amendments of 1972, which designates that no person in the United States shall, on the basis of

color, gender, creed or national origin, be excluded from participating in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal assistance.

University policies affecting students will be administered in a non-discriminatory manner. Students will not be subjected to discrimination on the basis of gender with regard to admission; recruitment; housing and other facilities; access to course offerings; counseling and use of appraisal and counseling materials; financial assistance; employment assistance; health and insurance benefits and services; marital and parental status; athletics; and education programs and activities.

## HAZING POLICY

Southeastern Louisiana University does not tolerate the physical, mental or psychological abuse of any individual or individuals. Any group suspected of participating in such hazing abuse will be fully investigated and, if found guilty, action will be taken against the organization. Individuals within a group found guilty of hazing may face suspension or expulsion from the University.

The University will not tolerate retaliation by any individual (whether or not that person was directly involved in the original incident) against any faculty, staff or student who reports, participates in an investigation of, or is a complainant in a disciplinary proceeding involving the allegation of hazing. Claims of retaliation will be investigated as a breach of the University's hazing policy and may result in University sanctions.

The University adheres to the University of Louisiana System's policy on hazing, Section XXIV, and the Fraternity Executive Association's statement on hazing (also referred to herein as the Association and/or FEA definition of and statement on hazing).

### **Louisiana Law on Hazing**

## **Fraternity Insurance Purchasing Group, Risk Management Policy (FIG: Focus on Hazing)**

Penalties:

The Interfraternity Council, Panhellenic Council, and Pan-Hellenic Councils are the governing bodies of the National Interfraternity Conference (NIC) and the National Pan-Hellenic Council (NPHC) chapters on the campus of Southeastern Louisiana University.

Having adopted the Fraternity Insurance Purchasing Group Risk Management

Policy/Program (FIPG), each chapter and all levels of fraternity membership must know that hazing carries a number of risks, including the following:

1. A civil lawsuit
2. Criminal prosecution for an illegal act
3. Discipline by the fraternity
4. Discipline by the college or university
5. Possible loss of insurance coverage

### **Hazing Explained**

What organizations may consider to be a perfectly harmless way of making students learn their lesson in education, may, in the view of others, be an act of violence that can be criminal. Hazing is a felony in more than 35 states. In addition, this administration does not condone or accept hazing as a normal part of fraternity education.

The danger in hazing is that it gets out of hand. What begins as an innocent prank can lead to disaster. There is the apocryphal story of the pledge who was tied to the railroad track, after the chapter carefully checked the timetable for that particular route—only to discover to their horror that trains do run late.

The role of the undergraduate chapter is to see that the education process is both enjoyable and rewarding, not only for the new members, but also for the active members. This calls for a precise agenda for membership education, including a list of activities and dates and times. New and old members can participate in any activity, and by being knowledgeable, get more out of activities and the educational experience.

### **Where Hazing Begins**

Answer these questions about each activity in the pledge/new member education program. If there is one question that has a negative answer, then this activity must be eliminated.

- Is the activity an educational experience?
- Does this activity promote and conform to the ideals and values of the fraternity?
- Will this activity increase the new members' respect for the fraternity and the members of the chapter?

- Is it an activity that pledges and initiated members participate in together?
- Would you be willing to allow parents to witness this activity? A judge?
- The University president?
- Does the activity have value in and of itself?
- Does the activity meet both the spirit and letter of the standards prohibiting hazing?

### **Dissemination of Hazing Policy**

Students are expected to conduct themselves in a manner, which supports the educational mission and function of the University, as well as to comply with all federal, state, and local laws. Students have the responsibility of familiarizing themselves with the conduct standards and regulations, which are distributed annually and will be held responsible for compliance with them. Southeastern's policy on hazing is contained in the Code of Student Conduct Standards and Regulations.

Each and every fraternal group within 10 business days from the start of each semester shall:

- 1) distribute a copy of the Southeastern Louisiana University Policy on Hazing to each of its members, and
- 2) have the Chapter President and the Pledge Educator sign and return to the Director of Student Engagement the University-issued statement which acknowledges compliance to the policy on Hazing and Hazing Awareness Education.
