

Hotel Overage Request

General Note: Section 1506.C, State Travel Regulation permits actual cost for lodging when staying at the designated conference hotel with approval. If there are multiple designated conference hotels, the lowest cost designated conference hotel should be utilized. Section 1506.B, State Travel Regulation states actual costs should not exceed fifty percent over PPM49 current listed rates. Justification must be maintained in the file to show that attempts were made with hotels in the area to receive the state/best rate.
